**Fine Breeding Stock.**

Moore & Paine, who conduct a ranch in the north part of this county, shipped in from Iowa Tuesday night twenty head of Hereford, and Shorthorn bulls which were pronounced the choicest lot that has been brought to this section. These animals ranged in age from twelve to twenty-two months, and were selected by Colonel Woods, the well-known live stock auctioneer, who is considered one of the best judges in this country. The Herefords were purchased in Iowa, and the Shorthorns in Kansas. All the former were registered animals, and though rather thin in flesh, some of those twenty-two months old weighed 1400.

These animals were shipped in for sale purposes, and several were contracted for while they were in the stockyards in this city. The others will be taken to the Moore & Paine ranch in Myrtle precinct and will there be offered for sale. They will no doubt meet with a ready sale to cattlemen who desire to improve their herds.
