EIGHTEENTH YEAR.

NORTH PLATTE, NEBRASKA, APRIL 25, 1902.

NO. 27

## Doing Business

Upon the reputation of predecessors is the fad of most Clothing Merchants of North Platte.

### NOT SO WITH US.

WE WORK for our reputation. WE GUARD it by honest values. WE ESTABLISHED it by continually giving the public the BEST merchandise obtainable on the market for LESS money than they are asked anywhere else. WE MAKE this store the PLACE, the HOME, for the people by treating all alike, courteous, generous, HONEST. No matter what your wants are in

### Men's, Boys' and Children's Clothing, Shoes or Hats

Make straight for THE NEBRASKA. If your purchase is not satisfactory your money is refunded. Our store has everything in new goods. We are not as fortunate as some clothing merchants in North Platte, they having stock in reserve for the past fifteen years to throw on you with the impression of new goods. We may not be able to show as many all around styles, but you can vouch to the last penny that we can show you more styles in new goods in Men's and Boys' Clothing, Shoes and Hats than any other store in North Platte and we defy any of them to contradict it.

### OUR PRICES ARE RIGHT.

Our goods are guaranteed to be right, and you'll find a saving on everything you purchase from us, whether it be a suit, pants, shirt, hat, shoes or overalls—we save you money on everything.

## The Climate

Of Western Nebraska is hard on paint and it is almost money burned to use an inferior quality when painting your house. The best paint is by far the cheapest in the end.

### Sherwin & Williams Paints

Have been sold by us for many years, and they have given universal satisfaction—time tried and not found wanting. We have a full stock on hand for the spring trade. If you have used it you will buy it again; if you have not used it, try it.

## A F STREITZ, Druggist

## Spring Work

On Farm, Garden and Lawn will soon begin and you may need tools—and these we keep. There is scarcely anything in this line we do not handle. In making his repairs for spring work the farmer will need Bolts, Nuts, Nails, etc., and this is the place he should buy them.

### Bulk Garden Seeds

Will as usual be found at our store. Fresh seeds direct from reliable growers.

## Davis the Hardware Man

Who no one Owe.

### Gun Club Shoot.

W. S. Dolson informs us that arrangements are now being made for a trap shooting contest between the gun clubs of Grand Island and this city, and that it will be held in North Platte some time next month.

In two former contests the Islanders carried off the honors, but the local men feel confident that this year they can take the scalps of the shooters from down the road.

### Col. H. C. Bently Dead.

Colonel H. C. Bently, who will be remembered by many of our citizens as a former manager of the Pacific Hotel in this city, died in Denver last Monday. News of his death came through a telegram from R. L. Graves received by C. F. Iddings Wednesday morning, and no particulars were given other than that the funeral would be held Thursday. The old friends of Colonel Bently in this city regret to learn of his death.

### The Wild West Opens.

The Wild West Show opened the season at Madison Square Garden, New York City, last Tuesday evening to an immense audience, among the spectators being General Miles, General Brooke and Senator Clark. About 200 of the horses, which had been purchased to replace those killed in the railroad wreck, were strange to the show business and as a result shied at the shadows cast by the electric lights. A number of the riders were thrown, and several sustained severe bruises.

### Wilson Re-Elected Chief.

At the general meeting of the fire department, held at the First ward hose house Tuesday evening, Norman J. Wilson was re-elected chief by acclamation. The friends of Joseph E. Weeks insisted that he be a candidate for chief, but prior to the election he withdrew his name as a candidate.

Mr. Wilson has proven a popular and efficient chief, and while he has not been called upon to direct the companies at many fires it is well-known that he has the ability to creditably fill the position at times when a cool head and quick action is necessary.

### McGrew-Eckleson Wedding.

John McGrew and Miss Gusta Eckleson were united in marriage at Gotthenburg Wednesday afternoon at the home of the bride's uncle. Mr. and Mrs. McGrew arrived in town Wednesday evening and left the same night for Denver, where Mr. McGrew expects to engage in business. Mrs. McGrew worked for a number of years at the Baldwin residence and is a young woman of excellent character and the possessor of financial means which precluded any necessity of working had she not so desired. Mr. McGrew is a young man of sterling worth and popular with his acquaintances. In their new home THE TRIBUNE wishes them abundant success.

### Y. M. C. A. NOTES.

Look at your membership ticket; see if it expires this month; renew at once, thus saving time and trouble for both yourself and the association. Punctuality is the life of business, and if there is any class of men who should be on time its railroad men.

Men that have never attended a men's meeting in the Y. M. C. A. do not know what they are missing. Come and see next Sunday. Rev. Geo. A. Beecher will be the speaker. Meeting is for all men and will commence at 3:30.

They have the base ball fever. Twenty-one men have signed the paper desiring to play ball in the Y. M. C. A. team, most of them good players.

A word to members! It is our ambition to have a membership of 400 by April 30th, and we can have it if each one will be unselfish and tell the other fellow what a good thing he has found for the very small fee of \$3.00 per year. S.

### A Theatrical Novelty.

A real theatrical novelty is "A Hoosier Daisy," the four act pastoral comedy drama which appears at the opera house Saturday evening, April 26th.

The author has gone out of the beaten track and gives to the public something new. Especially so, is the title role, "A Hoosier Daisy," a gawky, awkward country girl, who, raised in a poor house, has acquired a certain amount of slang, which, mixed with the Hoosier dialect and combined with a certain amount of wit and wisdom, makes the character one that will live in the memory of all. Around this character he has used such types of people usually found in the smaller towns to weave a dramatic story of more than ordinary interest combining quaint comedy, sentiment and a strong heart story. The company is an exceptionally strong one that supports Miss Bessie Clifton in the title role. The scenery is an especially attractive feature and shows the main street in Reubensville, Ind., the home of the richest man in town and the house where the Hoosier Daisy lives. Wherever the play has been presented it has met with artistic and financial success and return dates are invariably booked.
