### Schedule of Ball Games.

The following is the schedule of ball games made at Kearney last Monday. If Minden enters the circuit, and it probably will, the schedule will necessarily be changed.

Games at North Platte—Cheyenne June 25th, July 1st, Aug. 6th and Aug. 12th. Shelton June 20th, June 23d, Aug. 1st and 4th. Kearney June 13th and 16th, July 21st and 22d.

Games at Cheyenne—North Platte June 7th and 8th, July 12th and 13th. Shelton June 21st and 22d, Aug. 2d and 3d. Kearney June 14th and 15th, July 19th and 20th.

Games at Shelton—North Platte May 31st, June 2d, July 18th and 19th. Cheyenne June 28th and 30th, Aug. 8th and 9th. Kearney June 19th and 20th, July 25th and 26th.

Games at Kearney—North Platte May 30th, June 3d, July 16th and 17th. Cheyenne June 26th and 27th, Aug. 7th and 11th. Shelton June 20th and 21st, July 31st and Aug. 5th.

It will thus be seen that each team will play twelve games on its home grounds and twelve away from home. If Minden comes in there will be sixteen games instead of twelve. In addition to these scheduled games, there will, during the season, be a number of extra games, including a series the latter part of the season with the Omaha Originals, and also with the Grand Island team. There will be at least twenty games on the home grounds during the season.

### BETWEEN THE RIVERS.

Several new sugar beet cultivators have been sold by D. M. Leopoldt of Hershey for a Grand Island firm lately. They are manufactured by a firm in Omaha.

Walford Krong of Brule, who had charge of the Nichols section during Mr. Erickson's absence, has been sent to Hillsdale, Wyo., where he has been assigned a section.

The total acreage of sugar beets contracted for at the present time between North Platte and Paxton is about 640 acres.

J. G. Feekin recently lost a fine cow and calf by bloating on alfalfa. The carpenters from Paxton, who

are working on the new hotel at Hershey, spent Sunday at home.

Judge Grimes, of North Platte, for congressman from the big Sixth district, suits all the republicans and a number of fusionists in this locality alright.

Section foreman P. E. Ericsson and wife of Nichols have returned from a week's visit with relatives near Valparaiso, Neb. While there Mr. Erickson purchased a farm in that vicinity.

Isaac Gibson of Spuds held the lucky No. 3 that drew the horse that was raffled off by A. J. Abbott at Hershey on Saturday of last week. It cost him three cents and he sold it to A. B. Goodwin for \$25.00. D. Smith of Paxton's ranch held No. 79 that drew the gold watch that was raffled off by the same party and at the same time and place.

D. A. Brown has resumed his duties as fireman on trains No. 101 and No. 6 between North Platte and Sidney. His family now resides at Nichols where they moved recently, which caused him to lay off for a couple of weeks.

Notwithstanding the report to the contrary by a couple of parties the Nichols creamery is on the boom, with a daily increase of milk.

J. V. Robinson informed the writer Tuesday that his calves did not do well on hand separator milk. S. L. Funkhouser has finished planting fifty acres of sugar beets. He has some of the finest in the valley.

A. W. Arnett, on the Sisson farm, is shipping the cream extracted by a hand separator from the milk produced by twenty-one cows to Omaha.

J. B. Huitt, of Kansas, a brother-in-law of J. W. Liles, has purchased the W. W. Young residence

in the village of Hershey, better known as the old town site residence, for a consideration of \$400 and will make that his future abiding place. He will cultivate five acres of sugar beets for himself.

W. T. Miller sold W. C. Cole a number of fat hogs last week at \$7.40 per cwt.

The banks of the south side irrigation canal broke in a few places during the recent heavy rains.

Morning glory vines are said to be quite numerous in the sugar beet fields.

H. H. Hollingsworth, one of the Hershey section crew, is off duty at the present time with a mashed foot caused by a rail with which they were bucking steel falling upon it.

N. B. Spurrier will plant about about forty-five acres of corn and about five acres of potatoes on his south side ranch this season.

Mrs. Truesdale and family are visiting her sister Mrs. McCord at Hershey, while enroute by team from Oklahoma to Oregon.

Coyotes and grasshoppers are said to be quite numerous over on the south side at this time.

Chris Erickson, residing in the Birdwood country, had one of his little fingers so badly mashed in the gearing of a windmill on Tuesday that it had to be amputated near the hand. Dr. Eves of Hershey performed the operation.

### World Wide Reputation.

White's Cream Vermifuge has achieved a world wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity of the stomach, improves their digestion, and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. 25c at A.
