BETWEEN THE RIVERS.

Miss Annie Swaiger of North Platte and Miss Bessie Esblemann of Hershey will each close a nine months' term of school in Hershey on Friday of this week. It is reported that the schools will give an entertainment some evening next week.

Section Foreman Smith and crew unloaded five cars of cinders and put them around the east end and north side of the depot at Hershey last Friday and Saturday, which improved the appearance of the place materially.

D. A. Brown recently purchased a new carriage and harness of W. H. Hill at the Hershey hardware store.

A party with a gramophone struck Hershey one day last week and said that he wanted to find a place to hold an entertainment that evening. He was referred to

the manager of the town hall and was informed that he could have the use of the hall for \$3. He considered that too steep and hit the trail.

Ed Staples, who was working with his team on the McCabe irrigation canal up in the Birdwood country, returned home just previous to the recent heavy rains and did not return until the storm period had subsided.

Manager of the Hershey lumber yard, W. H. Hill, has received two cars of lumber within the past week.

We are told that W. A. Paxton of Omaha is negotiating for the purchase of the W. O. Thomson farm containing 240 acres in the valley.

Mrs. G. M. Smith entertained the ladies aid at Hershey on Thursday of last week. Light refreshments were served and a social time is reported by all present.

The heaviest rain ever witnessed by the oldest pioneer in this locality prevailed here last Thursday night. The valley all over this community was a perfect sheet of water from six inches to two feet in depth. Corn and sugar beets that were planted are more or less damaged but to what extent is not as yet known.

Steve Albro dumped 497 pounds of milk into the weigh can at the Nichols creamery last Friday that averaged four pounds of butter fat to the hundred pounds of milk.

Miss Nina Snell will close a nine months' term of school with an entertainment the latter part of this week at O'Fallon.

Mr. Gambel, of the Gambel Land Co. of Omaha, was up in the valley last week on business pertaining to said company.

A. E. Stone is plastering his new residence up Hershey at this time. It is a neat little cottage.

J. C. Hollingsworth of Hershey, grew several thousand sweet potato plants this season and has sold the most of them on the local market at twenty-five cents per hundred.

D. M. Leybold's men and teams that had been at work on the irrigation canal near Ogallala returned home Saturday evening.

Frank Frederici, who is riding the Farmers and Merchants irrigation canal, was up this way a couple of days last week on business connected with said canal. He checked up the drop at the Nichols bridge on Thursday and the heavy rain that evening flooded that whole country, but five of the check boards were pulled out Friday morning and the water soon passed down the line.

It is reported that J. H. Bonham, of Sutherland, has leased the new hotel at Hershey and will take possession about the first of the coming month. Mr. and Mrs. Bonham at this time are conducting a hotel at Sutherland.

King Cole shipped a car of hogs west the other day. He is the only party buying hogs in the valley at this time.

Good Cheer.
Have you had a kindness shown
Pass it on
'Twas not given for you alone
Pass it on
Let it travel down the years,
Let it wipe another's tears,
Till in heaven the deed appears,
Pass it on.

Mrs. W. C. Elder president, sends clothing to the "Sunshine emergency closet" and is willing to pass on literature.

North Platte Branch No. 3, Mrs. Mary J. Neary president, endorses the wheel chair movement and is busy scattering sunshine in many places.

Myrtle Branch No. 1, Mrs. Anna E. Moore president, received contributions of clothing, fancy articles and literature from Mrs. Wright, Mrs. Wilson, Mrs. Moore, Merl Moore and Mrs. Crawford. Other members report having written cheerful letters and sent out quilt pieces. Twenty-five cents was sent to the Sunshine flower and mission at Friend, Neb., and clothing was passed on to worthy families. Packages of literature are passed on regularly every week. Ten new members were enrolled in the branch. The branch is working with considerable enthusiasm to raise at least five dollars for the wheel chair movement.

Contributions for the wheel chair have been received by the state president as follows: A. C. Lane 10c, C. M. McGrew 25c, John Pollet 10c, Henry Pollet 10c, Charlie Lloyd 10c, Mrs. H. W. Foster 10c, J. E. Fuller 10c, Mrs. Wright 20c, Mr. and Mrs. C. A. Moore 25c, Mrs. D. Brunk 10c, Anon 25c, Grateful 15c.

HERE AND THERE.

One dollar and fifty cents was sent to the Sunshine flower seed mission at Friend, Neb., for the Mulvaneys by Rev. and Mrs. J. H. Derryberry of Paxton. Those who are interested in this feature of Nebraska's Sunshine work will be pleased to know that three of the little "Mulvaneys" have been provided for and that little Hugh is keeping a bright face, trusting that kind friends will yet find a way to keep him with his brothers and sisters this year at Mother Jewel's Home at York, Neb.

A new line in Sunshine work suggested for Nebraska is to organize a Sunshine Emergency Bureau in every town. The object of this bureau is to have articles required by a physician

and nurse in a sick room either in surgical or medical cases and which some in town are too poor to purchase. A stock of sheets, pillows, pillow cases, towels, maternity bags and bundles, hot water bottles, etc. is kept on hand to be loaned by the society, and physicians need never hesitate to hand a list of articles needed among such patients to its president. Albion is the first to organize such a club. Mrs. Thos. F. Smith is its president. Please don't forget the wheel chair fund. We need a few more dollars before we can order it. Any contributions sent to Mrs. Anna E. Moore, Myrtle, or Miss Annie C. Kramph, North Platte, will be promptly acknowledged.

Cures When Doctors Fail.

Mrs. Frank Chanson, Patterson, Ia. writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine, the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them. Herbine 50c bottle at A. F. Streitz's Corner Drug Store."
