Baby Carriages.

We have just received a large line of Baby Carriages, which have such a wide range in price that we can suit anybody's pocket book. An inspection of these carriages is invited.

Gasoline Stoves.

We are handling the Standard Single Generator Gasoline and Kerosene Stoves and have a large stock of them ranging in price from three dollars to twenty-seven dollars. One of these stoves burns either gasoline or kerosene, just as you choose. We will be glad to show the merits of these stoves to intending purchasers.

Of course we still sell Furniture, Matting, Wall Paper and Picture Moulding, and have gained the reputation of selling goods a shade lower than other dealers.

Howe's Furniture Store.

Spring Work

On Farm, Garden and Lawn will soon begin and you may need tools—and these we keep. There is scarcely anything in this line we do not handle. In making his repairs for spring work the farmer will need Bolts, Nuts, Nails, etc., and this is the place he should buy them.

Bulk Garden Seeds

Will as usual be found at our store. Fresh seeds direct from reliable growers.

Y. M. C. A. NOTES.

Telegram received from State Secretary J. P. Bailey today saying he will spend Sunday with Secretary Sheppard. He will be glad to meet the men Saturday evening and Sunday afternoon.

The Y. M. C. A. windows are properly screened and awnings shade them from the sun making the rooms a pleasant place to sit in. The reading room is open each Sunday between the hours of half-past one and five. All men are welcome.

Every man in town invited to the men's meeting Sunday at 3:30 p. m. B. L. Robinson has a remarkable experience to relate to men, at the earnest request of the local secretary. It is also expected that Mr. Bailey will speak for a short time. Railroad men are especially invited to this service.

Don't miss that musical romance in the K. P. hall on Saturday evening at the close of which lemonade and cake will be served. The proceeds go to help furnish equipment for the Y. M. C. A. ball team. Admission twenty-five cents.

Young man! Are you not tired of wash basin baths, which are such a bother? Go up and commence a membership in the Y. M. C. A. by the payment of a dollar and enjoy a good bath whenever you wish it.

Will the party having out a Y. M. C. A. book called "The Red Cockade," by Weyman, please bring it in at once.

The Great Pan-American Shows.

Connected with The Great Pan-American Shows there is in all probability the grandest and greatest Hippodrome ever seen on any ellipse since Rome exploited the first. Scores of fearless horsemen and horsewomen, teams of horses, blooded and in their prime; Arabian and Kentucky thoroughbreds, fleet of foot and handsome. There are Roman, standing and chariot races, two and four horse; there are steeple chases, hurdle races, flat, trotting, racking and running races. There are pig and pole, sack and wheelbarrow, man vs. horse, Whippet dog, Indian vs. Indian pony, obstacle, pony and monkey, clown, mule and goat races, elephant and camel, deer and hound, man vs. man and woman vs. woman races. In a word, all kinds of races ever run will be duplicated and many novel ones introduced at The Great Pan-American Shows at North Platte on June 3d.

An old gentleman from Indiana, who owns a section of land in this county, arrived in town yesterday and reported he had been buncoed out of twenty dollars down the road by a smooth-talking man. It was a case of over-confidence in the promises of a stranger.

Two men, one of who claimed to be a representative of the Lincoln Post, and the other selling a method for the rapid computation of figures, were run in by the police Wednesday night on the charge of being drunk and disorderly. The newspaper man had his face cut and an eye blackened in the melee.

BETWEEN THE RIVERS.

Owing to the increase of milk and the demand for butter which, outside of the creamery, will not supply the local market, the Nichols creamery is running every day at this time instead of every other day as during the past six months.

The entertainment will be given by the O'Fallon's school Saturday evening. It closed on Friday. The Hershey school, which closes today, will give an entertainment on Wednesday evening of next week.

The first crop of alfalfa in this locality is the largest ever known.

Sugar beets and corn that were planted previous to the recent rains were damaged more or less but not as badly as was at first anticipated. Weeds are coming up fast and there is lots of work in store for the growers.

Monday last Miss Valeri Brown at Hershey was assisted in celebrating her eighth birth anniversary by several of her little girl playmates. Games of different kinds were indulged in, ice cream was served and the little folks had a pleasant time from start to finish.

Daniel Edstrom, formerly a resident of the valley, died at his home in Lincoln on Sunday last of consumption. He was a member of the Hershey Woodmen camp and held a policy for \$2,000 in the same. Holds Up a Congressman.

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all around medicine ever sold over a druggist's counter." Overworked, run-down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50c. Guaranteed by A. F. Streit.
