Death of Logan Church.

A telegram received in this city Tuesday evening announced the death of Logan Church at Omaha, where he had been taken a couple of weeks ago for treatment, the cause of death being chronic Bright's disease. Logan had been a sufferer from this disease for sometime but it was hoped that he would eventually outgrow it. About a month ago he was taken very ill and not improving much was later taken to Omaha. An operation was performed Tuesday, but he grew worse and died some hours after. The remains were brought to this city and the funeral was held at seven o'clock last evening from the family residence, Rev. Beecher officiating.

Logan was sixteen years of age, a bright, manly, ambitious lad who enjoyed the esteem of all who knew him, and had hosts of friends among old and young alike. Ever gentlemanly, courteous and obliging, he had won a place in the hearts of all who knew him. Ranking well in his work at school, having set for himself a high ideal and being persevering, it had been prophesied by many that he would win himself a high place in whatever he chose as his life work, and to all his death comes as a shock.

The deceased was a member of the High School cadets, a studious pupil and a favorite with teacher and schoolmates, by whom he will be sadly missed.

To his heart broken mother is extended the sympathy of the entire community.
