Kinkaid Nominated.

Moses P. Kinkaid was nominated for congress last Friday at the republican convention held at Crawford. The contest was long drawn out, the successful candidate receiving the nomination on the 177th ballot. The candidates before the convention were Kinkaid, Currie, Grimes, Beeman, Darr and Cady. Kinkaid on the informal ballot received seventy-six votes, Currie forty-four, Grimes thirty-eight, Beeman nineteen, Darr thirteen, Wall eight. On the first formal ballot the Wall votes went to Grimes, but the following 125 ballots showed but little change, the several adjournments taken during that time being fruitless so far as combinations were concerned. Dawson county finally gave its thirteen votes to Grimes, and later an agreement was entered into between the Grimes, Beeman, Cady and Darr forces to cast five solid ballots for each of those candidates with the hope that one of them might be able to get enough votes from the Kinkaid and Currie forces to nominate. This combine failed to win, as the forces of the other two candidates would not break and the only result was to give Grimes and the other candidates a vote of eighty-eight which was sixteen short of the necessary number. Buffalo and Dawson counties announced their intention of voting for Kinkaid which they did on the 177th ballot and this gave Kinkaid more than a majority of all votes cast. Great enthusiasm prevailed at the conclusion of the contest, and speeches of good feeling and loyalty were made by Grimes, Beeman, Cady, Darr and Currie. The Grimes and Currie forces remained with their candidates to the last.

Judge Grimes had the loyal support of Lincoln, Keith, Deuel, Kimball, Sherman and Banner counties from start to finish, and one-half the votes of Cheyenne county. The delegates from these counties made a hard and honorable fight for their favorite, but could not break into the Kinkaid and Currie ranks.

BETWEEN THE RIVERS.

Lightning struck and killed a two year old heifer belonging to Chas. McAllister Wednesday night.

W. H. Sullivan is cutting the alfalfa on the Newberry farm. A double porch is being added to the front of the new hotel at Hershey, with doors leading to it from both below and above.

Corn and sugar beets, where properly cultivated, are looking especially well since the recent rains.

The greater part of the first crop of alfalfa has been cut and stacked. Most of it was put in the stack without having suffered from rain.

Dr. McCabe was in this section Thursday on professional business.

Arthur Hartwig, manager of the Gamble Land Co's ranch south of the river, has been assisting J. V. Robinson in putting up alfalfa on

the company's land between the rivers. Mr. Hartwig says the tract of land south of the river will be used as a cattle and hog ranch. About eighty acres of the land was put in alfalfa this spring.

Mr. and Mrs. J. C. Gyger pleasantly entertained a few friends at their home in Hershey Friday evening.

John Johnson, a young man residing on the south side, died of consumption June 7th. The funeral, conducted by Rev. Evans, was held at the school house.

Bert Wright, who recently moved from the south side, is working as section hand at Nichols.

Leona Young, whose sickness was noted in our last communication, died Friday of diphtheria and was buried the same day at Riverside cemetery. The death of this bright girl was particularly sad, her sickness lasting about three days. Her parents, who live at Lodge Pole, were present when the soul took its flight, and to them and other relatives is extended the sympathy of residents of this section. Great precaution was taken to prevent a possible spread of the disease, and no other cases have so far developed. Mr. and Mrs. Young will remain at Hershey until such a time as to preclude the possibility of contagion.

All cream destined to the above company should be taken to his place where it will be tested and shipped.

William Hodges returned from Ogalalla Sunday where he had been visiting relatives for about a month. Cecil Tuell had business at the county seat Wednesday and Thursday.

WELLFLEET WAVELETS.

The rye crop in this vicinity is immense, and the alfalfa along the Medicine is looking fine. The grasshoppers have taken several gardens and some small fields of corn lately. In other fields the grasshoppers have not made an appearance.

One year ago the band separator made its first appearance here and now about every third farmer possesses one and is making from ten to sixty dollars per month from his cream.

Tax on Babies.
 Extreme hot weather is a great tax upon the digestive power of babies; when puny and feeble they should be given a few doses of White Cream Vermifuge the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. 25c A. F. Streit's Corner Drug Store.
