Entered at North Platte (Nebraska) postoffice second-class matter.

INDICATIONS point to the nomination of Judge Westover for congress by the fusionists. This practically insures the election of the republican nominee, Judge Kinkaid.

THE death of G. M. Lambertson, of Lincoln, which occurred at the Palmer House in Chicago Sunday night is deeply regretted by all who knew him. Mr. Lambertson was one of the brightest men in Nebraska and one of the foremost lawyers in the west.

THROUGH the amnesty granted to all Americans in the Cuban prisons, Neeley, the convicted postoffice hoodler goes free. This action of the Cubans wins no favor in this country, and it is to be regretted that in this instance they did not pursue some other way in which to show their gratitude to the people of the United States.

WHILE Judge Kinkaid was not THE TRIBUNE choice for congressman, it can support him most heartily. The Judge is a clean, able man and there is every reason to believe that though twice defeated he will this year be elected. In the Elkhorn country, where the Judge is best known, he is extremely popular with the masses.

It is learned today that there are a number of populists in the Third commissioner district who say that the populist convention dare not endorse Frank Johnson for commissioner. These populists claim that there are only a few democrats in the district and that they are not en-

titled to recognition to the extent of naming the candidate for commissioner.

THERE are so many good, clean and honorable men in the republican ranks in Nebraska that it is wholly unnecessary for the state convention, which meets tomorrow, to place on the ticket a single name which will call for a defense or an explanation. In the contest for governor a dozen candidates will be entered, and it is the duty of the delegates to select the best one, regardless of geographical location.

IRRIGATION BILL PASSES HOUSE.

The irrigation bill passed the house of representatives Friday afternoon. The bill as passed creates a reclamation fund from the sale of public lands in all states west of the Missouri, less the fees paid to the local land offices, the reclamation fund to be used for the construction and maintenance of irrigation works in the states and territories enumerated. Provision is made for the payment out of the treasury of any deficiencies in the allowances to agricultural colleges owing to this disposition of public lands. The secretary of the interior is authorized to examine, survey and construct the irrigation works and report the cost thereof to congress at each session.

Section 4 provides for the letting of contracts for the works contemplated in sections when the necessary funds are available in the reclamation fund for such section.

Section 5 provides that "no right to the use of water for land in private ownership shall be sold for a tract exceeding 160 acres to any one land owner, and no such right shall permanently attach until all payments therefor are made, and no such sale shall be made to any land owner unless he be an actual bona fide resident on such land or occu-

pant thereof residing in the neighborhood of said land."

Section 6 authorizes the secretary to use the reclamation fund for the operation and maintenance of the irrigation works.

Section 8 requires state control over waters of non-navigable streams such as are used in irrigation.

A Splendid Remedy.

Neuralgic pains, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates the nerves and bone, and being absorbed into the blood its healing properties are conveyed to every part of the body and effect some wonderful cures. Mr. D. F. Moore, agent Illinois Central Railway, Milan, Tenn., states: "I have used Ballard's Snow Liniment for rheumatism, backache, etc., in my family. It is a splendid remedy. We could not do without it. 25c, 50c and \$1.00 at A. F. Strietz's Corner Drug Store."
