Of Western Nebraska is hard on paint and it is almost money burned to use an inferior quality when painting your house. The best paint is by far the cheapest in the end.

Delightfully Entertained.

The spacious and elegant home of Judge and Mrs. Baldwin was the scene of a most brilliant affair on Thursday and Friday, the 3d and 4th inst., when Mrs. A. S. Baldwin and Mrs. Frank Bacon entertained in a most delightful manner about eighty ladies, the guest of honor being Mrs. Baldwin's niece, Mrs. Julius Brunton of Chicago. The decorations were most magnificent and unique, the red, white and blue scheme being carried out in every detail as characteristic of the Nation's birthday. Large silk flags were beautifully festooned and draped around, while small flags and fire crackers were no less charmingly used to give zest to the occasion. The floral decorations also were beautiful in the extreme. Cut flowers were tastefully and profusely arranged here and there, while potted plants were largely in dominance, the stairway presenting the appearance of a huge embankment of choice ferns and palms, the spacious rooms really seemed as one vast conservatory of rich foliage and bloom. The entertaining feature on Thursday was a drawing contest, the finest artist being awarded a prize. Mrs. Earl Newton, being the fortunate winner, the prize a huge fire cracker. The booby prize was won by Mrs. W. H. C. Woodhurst, the prize being a very small decorated firecracker. Cards were indulged in on Friday by way of entertainment.

Refreshments, most elaborate and dainty, were served, the national color scheme being carried out in the table decorations, also in the refreshments. After a delightful afternoon all were unanimous in pronouncing Mrs. Baldwin and Mrs. Bacon most charming hostesses. A GUEST.

The Glorious Fourth.

The Fourth was a rather quiet day in North Platte, no attempt at a celebration being made—other than that there was the customary firing of explosives.

In the small hours of the morning a party of men secured a cannon of good-sized calibre and made constant use of it for several hours, thereby arousing the sleeping inhabitants and keeping them awake.

The Buffalo Bill Gun Club held a tournament in the forenoon and also in the afternoon which attracted not only the men handy with a gun but also a number of spectators. The ball game in the afternoon was attended by several hundred people.

Quite a large number of members of the G. A. R., W. R. C. and their families attended a picnic at the national cemetery, some driving down and others going by train to Maxwell, where conveyances met them. Those who attended report a very pleasant day.

In the evening the band gave its weekly concert at the court house park, and later in the evening there were liberal pyrotechnic displays.

The day being warm, many of our residents spent the mid-day hours beneath the shade of their own vine and fig tree.
