The Boss Worm Medicine.

H. P. Kumpke, Druggist, Leighton, Ala., writes: "One of my customers had a child, which was sick, and threw up all food, could retain nothing on its stomach. He bought one bottle of White's Cream Vermifuge, and it brought out 19 worms from the child. It's the boss worm medicine in the world."

White's Cream Vermifuge is also the children's tonic. It improves their digestion and assimilation of food strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood.

SUPERB CLIMATE.

In Colorado all the conditions of health are met. There is a sufficient altitude to cause lung and chest development; there is the dry exhilarating mountain air, with an almost absolute absence of malaria; there is the tonic effect of a bracing climate, without its rigors; an atmosphere filled with ozone; cool nights in summer, a bright, sunny sky almost every day in the year, conducive of cheerfulness and bringing a new pleasure every morning, constantly stimulating both mind and body.

To enable persons to reach these favored localities without unnecessary expenditure of time or money, the UNION PACIFIC has put in effect very low rates and splendid train service, three trains leaving Missouri River daily for Denver, one of which is "The Colorado Special," the finest and fastest train in the west. Accommodations are provided for all classes of passengers on these trains, the equipment including free reclining chair cars, dining cars, buffet, smoking cars, drawing room sleepers and day coaches, etc.
