THE TRIBUNE regrets to note that quite a number of families have left North Platte during the past sixty days, and that a number of others contemplate leaving. There are at present a good many vacant houses, more than for several years.

For Rent—Two furnished rooms in private family. Nice location. Inquire at this office.

Under the new closing schedule, the bulk of the local business houses will remain open until 8:30 p. m. until Dec. 10th. In view of the large country trade which North Platte bids fair to have this fall and winter, we consider this action of keeping the stores open until 8:30 is wise.
