School Opens.

The city schools opened for the year's work yesterday morning with an attendance of 807. Following is the number of pupils attending the various grades:

High school 105, Eighth grade Miss Goodman 38, Miss Babbitt 38, Seventh grade Miss Burke 38, Miss Vernon 40, Sixth grade Miss Sorenson 41, Miss Hartman 38, First ward, Miss Hansen 51, Miss Ware 27, Miss Carlson 52. Second ward Miss Patterson 43, Miss Baker 57, Miss Duncan 47. Third ward Miss Kennedy 45, Miss Blake 57, Miss Kocken 47, W. A. Getty 43.

The attendance this year shows quite an increase over that of last year, largely due to the number who previously attended the Catholic school.

Stolen Mules Recovered.

Some time ago a team of mules belonging to John Cox and a wagon and set of harness belonging to a man by the name of Martin, both of this city were stolen. Rewards were offered but the outfit was not recovered until last Thursday when it was found in a hollow at Pawnee by an employe of the Pawnee ranch. The mules were tied to the wagon and had evidently been abandoned for several days, one of the mules being nearly starved. It is supposed the thief had camped there and while away on a short trip, a party of men arrived nearby to dig a well, and that on his return, finding them at work close by he was afraid to take the wagon and team.

Finnigan's Ball.

That merry melange of mirth and music, "Finnigan's Ball" and Gallagher and Barrett and a merry satire of clever farce comedy people, will be seen at the opera house, Tuesday evening, September 9th. This is eighth year of "Finnigan's Ball" but like all other farce comedies it possesses that advantage which can be found in no other style of dramatic performance, the advantage of being changed from year to year, new specialties introduced, new comicalities added. In fact, even the plot itself has changed about and still passes as "The Ball." So it happens that those who have seen this famous farce before need not hesitate to see it again, thinking that they are to see the same old piece. On the contrary, it has been entirely re-written this year and the author of the original piece would not find a line of his work. The entire plot of the story has been changed and nothing remains of the old production except the title. The new piece is bright, fresh, full of the latest witticisms and newest music, and goes with a swing and dash that promises to make its eighth edition the most successful of any that it has ever seen.

21 Years a Dyspeptic.

R. H. Foster, 318 S. 2d St., Salt Lake City, writes: "I have been bothered with dyspepsia or indigestion for 21 years; tried many doctors without relief; recently I got a bottle of Horbine. One bottle cured me, I am now tapering off on the second. I have recommended it to my friends; it is curing them, too." 53c at A. F. Straits's Corner Drug Store
