Old Settlers' Picnic.

We are requested to announce that an old settler's picnic will be held next Friday at the grove of I. M. Abercrombie, near the lake at Gothenburg. Issues Injunction.

Upon application of Jno. N. Baldwin, Judge McPherson of Iowa, acting as judge of the United States district court, issued an order yesterday restraining the Union Pacific strikers and their sympathizers from in any way interfering with the company and its employees. The order is a sweeping one, and the strikers are to refrain from going upon or congregating about the premises of the company; from in any way, manner or method of threatening or menacing employees; from publishing orders or statements by direction of the strike officers that will tend to provoke assaults, and from in any manner interfering with the transaction of the business of the Union Pacific company.

The hearing of the order has been set for September 25th. As we understand it, the order applies only to Omaha. There are certain clauses in the order which will be vigorously opposed by the strike leaders.

Committees Held a Meeting.

Members of the populist and democratic county central committee held a meeting in town last evening and decided not to fill the vacancy on the ticket for county attorney caused by the withdrawal of J. J. Halligan, who had been nominated for that position.

Those present decided to present the name of Frank A. Johnson of Wellfleet for the nomination for representative from this district. Mr. Johnson was nominated for county commissioner by the democrats, but if he is nominated for representative he will withdraw and leave the fusion field clear for Mr. McMichael, who was nominated for the same position by the populists. If he is not nominated for representative he will still be a candidate for commissioner.

The fusion representative and senatorial conventions will be held at Ogalalla today, and the nominees will probably be Johnson for representative and Fred Zimmerman of Dawson county for senator.
