The play "Arizona" presented at the opera house Friday evening was a pronounced success; the opinion being freely expressed that it was the equal of any home production yet given and the superior of many. Lutheran Synod Tomorrow.
As previously announced in this paper, the Lutheran Synod of Nebraska will meet at the Lutheran church Wednesday evening, at which time the president, Rev. Luther M. Kuhns, of Omaha, will preach the sermon. The synod will continue in session until Sunday evening. The day sessions will be given to the business of the body, hearing reports of the different congregations, educational and eleemosynary institutions, and election of delegates to the general synod which meets at Baltimore, Md., next year.

The evening meetings will be of a popular character, and will include addresses on the mission work and educational work of the church. Saturday afternoon preparatory service for the celebration of the holy communion will be held.

Sunday promises to be a big day. In addition to filling the pulpits of such sister churches as request it, the day will be a full one at the Lutheran church. The synodical communion will be celebrated at 10 o'clock, Rev. Dr. Groh, of Omaha, preaching the sermon. Sunday school will be held at the noon hour and will include several addresses. A memorial service of the late Rev. S. B. Barnitz, D. D., western representative of the board of home missions, and for twenty years the leading figure in the Lutheran work in this territory, will likely be held at 3:00 p. m., though his subject to change by synod. The ordination service will be held in the evening. Rev. Luther P. Ludden, of Lincoln, will preach the sermon, after which Rev. Chas. F. Schulz of Steele, Neb., and Chas. W. Swibert of Peabody, Kansas, recently graduates of the theological seminary at Atchison, Kansas, will be solemnly set apart to the holy ministry.

On Thursday at 5 p. m. the ladies aid society of the local church will make possible for the visitors to enjoy a social hour to be held by serving luncheon at the Odd Fellows' hall.

Special music for all the services has been prepared, under the efficient direction of Mrs. C. F. Scharmann, by the church choir, kindly assisted by several other friends. The public is very cordially invited to all the sessions and are especially urged to be present at the evening and Sunday services.

Another slight reduction in the force at the shops occurred Saturday evening when Fred Elliott and Blossie Elias, of the carpenter gang, were transferred to Omaha. These two young men left for Omaha Sunday night.

North Platte people who were inclined to believe that the threatened reduction of the shop force was a "bluff" on the part of the Union Pacific, are now beginning to realize that the officials meant just what they said.
