Y. M. C. A. NOTES.

The city of York, Nebraska, wakes up to the fact that its young men need a Y. M. C. A. and its citizens have subscribed fifteen thousand dollars toward the erection of a beautiful and well equipped building.

We wonder if there is a man or woman that thinks enough of the young men of North Platte to give ten dollars towards the purchase of two dozen folding chairs for them to occupy while listening to practical talks, lectures and helpful addresses. Who will it be?

Dr. Dennis and Mr. Fred Perrett have kindly contributed a large number of magazines for the free distribution table. Over a hundred copies given away this week.

During the first half of this month over thirty members have been booked.

Notwithstanding the rain of last Sunday, thirty men attended the 3:30 meeting and enjoyed a fine address by Rev. C. F. Swander and a cornet solo by Earle Stamp. Next Sunday Rev. W. L. Troyer will address the meeting. All men are cordially invited.

The Denver Express.

The glories of melodrama are unfading and though hot-spiced theatrical feats are perhaps a little warm for the season, they are still seductive in the case of "The Denver Express" which is one of the warmest and most rapid play of its class. Once again Sitting Bull, Standing Cow, and their band of braves will attack the emigrant train and emit their war whoops, to the huge delight of the gallery, and the subdued thrills of the parquet. The Holden Bros. have equipped the play with an excellent series of new scenes, and the grand ball at the Palace Hotel, San Francisco provides a society element that entirely removes the suspicion that this is a wild and woolly western drama. It has situations and climaxes which are thrilling to a degree, in the frontier scenes, but the two acts devoted to the American millionaires and the scions of British aristocracy show the skillful hand of a clever dramatist and are satirical and amusing always. Taken in all it has proven its right to play return dates, and its interesting story, uproarious comedy and well woven plot entitle the play to whatever success it may achieve. A carefully selected company under the management of Holden Bros., will present the Denver Express at the opera house Thursday evening, October 23d.

From an Evanston, Wyo., paper we learn that a dramatic company of that town will produce "Page, the Wall" on October 25th for the benefit of the Union Pacific strikers. Ed Weeks, formerly of this city, will appear in the play as a French detective. Ed, who is one of the strikers, writes home that he is getting along pretty well, and is doing all kinds of work from driving a dray wagon to fixing machinery.
