George Beckett, of Logan county, who was called here several days ago by the illness of his brother, was stricken with heart trouble following the death of his brother last evening and for a time his recovery was uncertain.

No reply has yet been received to the call which the Episcopal vestry extended to Rev. Weed of Brooklyn. It is known that the reverend gentleman had under advisement a call to Oklahoma and he is probably taking some time to consider which call he will accept.

Something to be thankful for is good health. John Neary has accepted the agency for Dr. Koch's Vegetable Family Tea. This Tea has been in use for over four years and has proven its merits in all cases. It is a harmless vegetable remedy and a positive cure for constipation, kidney trouble, rheumatism, etc. Call at Neary's shoe repair shop or at residence on East Sixth street.

"A Jolly American Tramp," which was presented at the opera house last night, proved a disappointment to many in the large audience, while to others it proved satisfactory. The play is not a strong one and in our opinion was rather loosely presented.

Miss Anna Sorenson of North Platte arrived in the city from Omaha yesterday and will visit in the city with relatives and friends for a week.—Grand Island Independent.

Russell Fowles, the well known stockman, yesterday purchased the Mrs. H. M. Slack residence on west Fifth street for a consideration of three thousand dollars. As Mr. Fowles is an unmarried man, this purchase looks suspicious. Mr. Fowles is, however, a mighty good citizen for any community, and it is about to enter the benedictine ranks and become a permanent resident of North Platte, we will be pleased to have him do so.

Angel Food Taffy at Hupler's.

A public reception will be held at the city hall next Wednesday evening for Rev. George A. Beecher of the Episcopal church. Charles Beckett died at seven o'clock last evening at his rooms over Erdam's shoe shop of pneumonia, with which he had been suffering for about two weeks. His parents, who were among the early settlers in Logan county, were with him when death ensued.

### Misunderstood Senator's Sympathy.

Senator Chauncey M. Depew was visited in his committee room at the Capitol recently by a New York farmer whom he had met on one of his campaigning tours through the western counties of the state, says the New York Times.

The Senator, as is his wont, exhibited a lively interest in his constituent's health, and, thus encouraged, the visitor began to unburden himself as to his family troubles, and the warm-hearted Senator showed much sympathy when the man related how his wife drove him out of the house in her temper.

"I feel deeply for you," said the Senator in his most sympathetic voice, and he grew eloquent in his efforts to comfort the disconsolate farmer.

"Why," said the Senator's visitor, astonished at this outburst of feeling, "are you married, too?"

The Senator's mirth pretty nearly overcame his sympathy for his unhappy constituent.

# The Unloading Sale at The Leader Continues Unabated.

The Unloading Sale, which was inaugurated at The Leader on November 8th, continues to be a magnet which draws a great number of bargain-seekers daily to that popular establishment. People who have visited the store are fully satisfied that the sale is no "fake," but that it is a genuine bargain-getting occasion. They find that there has been a great reduction in the price of all classes of merchandise, and that the price-cutting has not been confined to the cheaper class of goods.

The patronage accorded The Leader during this sale has exceeded the expectations of the proprietor, and the large number of sales people have been kept busy every day since the sale began. Many of the people who have visited the store, and especially residents of the country precincts, have found the prices on goods so low that they have purchased a winter's supply of necessary articles, and in doing so have saved a nice sum of money. The Leader's prices on all classes of merchandise have always been a shade lower than elsewhere, but now with the great reduction which has been made during this Unloading Sale, the prices are far below those of any other store—and this statement is attested by all who have patronized the sale.

This sale will continue until December 8th, and while there is still nearly three weeks in which to take advantage of the bargains offered, it is advisable that all do their buying as early as possible in order to get the best results.

Everybody is cordially invited to visit The Leader during this sale. Drop in and look over the bargain tables and convince yourself that this is a genuine bargain-getting price-cutting occasion. Money saved is money earned, and there is no way in which you can save money so easily and quickly as at
