CLINTON, JEWELER AND OPTICIAN

Crazed by drink, Miles Maryott, who is well known in North Platte as a base ball player and crack shot, shot and seriously wounded his friend Wm. Poffenburg at Ft. Collins, Colo., Wednesday afternoon. Officers attempted to arrest him, but for five hours he stood them off, finally when he recovered from his spree submitted to arrest. Maryott went out to the ranch here Poffenburg was working, carrying with him three Winchester, two hair trigger revolvers and a suit case full of ammunition. He went into the house and asked Poffenburg to go fishing with him, Poffenburg declined, whereupon Maryott said "I'll kill you if you don't" and fired, the ball passing through his victim's neck and coming out at the shoulder. Later Maryott went to the hospital where Poffenburg was taken, all the time keeping at bay the officers.

Warning. Parties stealing from my garden are in danger from an unknown source. Fair warning, Beware. E. A. CARY.

For Safety and Comfort YOU SHOULD BUY

The "New Process" Wick Blue Flame Oil Stove, is the cleanest, safest, most convenient and economical stove one can use. There is no waste of the heat generated on these stoves, as the flame is applied directly to the article to be heated. The kitchen does not become a fiery furnace, even in the very hottest weather, so you can always cook, bake or iron on a "New Process" Wick Blue Flame Oil Stove, in perfect comfort. It is much cheaper than a coal stove, too.

Mr. A. F. Streitz having sold his drug store where I have been chief prescription clerk for the past five years, I purchased half interest in the North Platte Pharmacy, owned by Dr. N. McCabe. The new management extends a cordial invitation to his patrons for a continuance of their trade and by courteous treatment coupled with a fresh, clean and well assorted stock of drugs, medicines, chemicals and sundries, I hope to merit the trade of my acquaintances and the drug buying public. Children sent on errands to our store will receive careful attention.
