

TRUE watch fineness is a matter of workmanship and material—not of price, or of jewels, or of a gold case.

The fineness of the **HOWARD** watch is the fineness of intelligent design, of workmanship with a conscience behind it, of exquisite adjustment.

Every **HOWARD** is adjusted in its case, to heat, cold, vibration, change of position.

The price is fixed by the printed ticket attached at the factory—\$35.00 to \$150.00—and is never cut.

"When you buy a **HOWARD** you get something."

We are distributors for this distinctive watch.

TO KILL THE DANDRUFF GERM.

In the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and thinness, can only be had by killing the germ; and there is no other preparation that will destroy this germ but Newbro's Herpicide. "Discover the cause, and you remove the effect." Sold by leading druggists. Send 10c in stamps for samples to The Herpicide Co., Detroit, Mich.

Authorizes Committee to Build.

At the congregational meeting last evening the committee having in charge the building of a new Presbyterian church was authorized to "go ahead and do business." This meeting was called for the purpose of considering a bid submitted by E. P. Basta, of Schuyler, Neb., and which was recommended for acceptance by the committee. This bid is for about \$19,000, while the maximum amount set for the cost by the congregation, and estimated by the architect drawing the plans, was \$17,500. It was found, however, that no bid for the latter amount can be secured, hence the instructions to the committee to go ahead and use their judgment in the matter.

It was the expectation of the committee as well as the congregation, to have the full amount of the cost subscribed before work on the building began, and this would have proven true had a bid for \$17,500 been received, but the increased cost has called for a decision by the committee whether to delay construction until the balance is subscribed or go ahead and secure the needed amount during the construction period or after the church is completed. It is probable, however, that the committee will go ahead and close a contract with the bidder.

For the building fund the church has about \$9,000 in cash on hand and \$6,800 subscribed. It will therefore require something over \$3,000 more to make the church free of debt when the building is completed. As the subscriptions to date have been voluntary, it would seem that a "hustling committee" could easily secure the amount needed, as citizens regardless of denomination, will take pride in the erection of such a splendid church edifice and will contribute more or less toward the building fund.

We hope the committee will decide to at once sign the contract and thus insure an early completion of the building.

Cottages for Sale.

Meeting of Court House Committee.

The general committee appointed at the meeting held at the court house August 1st to inaugurate a campaign for a new court house, held a meeting at the Commercial Club rooms Friday evening. There was a good representation of the members present, and the different phases of the campaign work was discussed at length. John E. Evans was selected permanent chairman of the committee and Mr. Evans together with Judge Grimes, W. V. Hoagland, E. S. Davis and Ira L. Bare will form an executive committee who will appoint sub-committees on publicity, petition, finances and such other committees as may be needed. This executive committee will meet next Saturday evening to name the members of the sub-committees.

To avoid the expense of a special election, the petitioners will ask the commissioners to submit the bond proposition at the general election in November.
