Roses**

## Real Rose Hat Pins

It does not seem possible, yet it is true, that these Hat Pins are made out of live roses, and changed into metal by a secret process. This discovery is without doubt one of the lost arts of the ancient Egyptians. They are the most beautiful of all Hat Pins. Now are alike. Made in finishes to conform to the prevailing fashions in millinery. Six sizes at the following prices:

\$1.50, \$2.00, \$2.50,  
\$3.00, \$3.75, \$4.50

Everybody is talking about them. Don't fail to come in and see them. These are the genuine DELAMOTHE Real Rose Hat Pins.

The county commissioners will make the levies for the several funds today and tomorrow and will then begin allowing the claims on file against the county. ### Band Reorganizes.

At a meeting of the band Thursday night, in the absence of the leader, Cal. Lowell, a new organization was formed including only the advanced players in the band, the band having reached the point where the grade of music played is too difficult for the younger and more inexperienced players. The new organization will be known as the North Platte Concert Band and will consist of fifteen to eighteen of North Platte's best performers on their respective instruments. W. E. Starr was elected temporary chairman and director and he appointed a committee of three consisting of Messrs. Selby, Stamp, and Starr to wait upon Mr. Lowell and engage his services as permanent director, if possible. In this newly organized band North Platte has one of the best concert bands in the state and a band of which the citizens of North Platte may well be proud and contribute to liberally. W. H. McDonald heads the list with a very liberal donation for which the band is very thankful. May others of our business men follow.

### HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Kerpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00.
