Real Rose Hat Pins

It does not seem possible, yet it is true, that these Hat Pins are made out of live roses, and changed into metal by a secret process. This discovery is without doubt one of the lost arts of the ancient Egyptians. They are the most beautiful of all Hat Pins. No two are alike. Made in finishes to conform to the prevailing fashions in millinery. Six sizes at the following prices:

\$1.50, \$2.00, \$2.50,
\$3.00, \$3.75, \$4.50

Everybody is talking about them. Don't fail to come in and see them. These are the genuine DELAMOTHE Real Rose Hat Pins.

The school board is having the interior of the building placed in a more attractive appearance. The walls are being calcimined and the wood work painted and other needed improvements made. It is a business proposition: with the people of a commissioner district when they come to selecting a member of the county board. The member is expected to transact the business for and in the interest of the district and it is therefore of the utmost importance that a man be selected who is an acknowledged business man coupled with honesty and integrity. C. H. Walter is undoubtedly one of the best business men in this part or for that matter any other part of the county and the republican electors in this vicinity unhesitatingly endorse him for this important office as their candidate at the coming primaries. Mr. Walter came to this part of the county several weeks ago from Iowa settling on a ranch north of town. He now lives in town but deals extensively in all kinds of stock, is vice-president of the Citizen's Security bank, a member of the village board and also of the school board. He has the confidence of his neighbors and they ask your support at the primaries Sept. 2nd.

Mrs. H. E. Tweedy pleasantly entertained the following ladies and gentlemen at tea Thursday evening: Miss Maud Louden and Miss Esther Antonides of North Platte, Misses Dollie Kidwell, Grace and Flossie Mehlman and Mabel Walters, Messrs. Roy Mehlman and J. M. Wood.
