One of the leading railroad companies in the east has decided to establish a rule for physical tests before employing men which will be as severe as that required for entering the army or navy. The decision is based on the new federal employers' liability act, passed by the last congress, the railroad taking the position that in order to avoid the payment of heavy damages it will be necessary to require a higher degree of efficiency among employes than heretofore. - Bee.

The motor car has proven so success ful that the Union Pacific is now using the same to take the place of locals between some of the towns on the main line of their system. The latest addition to the motor service is to place one on the line between Omaha and Fremont, leaving Omaha at 10:30 in the morning, taking one hour and a half for the run. In the afternoon it will leave Fremont at 1:30, arriving at Omaha at three. Several stops are made, including three in Omaha at designated streets.

way is a neat amusement hall. The first three rounds of the contest showed clever work on the part of both contestants, but in the fourth Cardwell failed to recover in the specified time from a body blow and Ouimette was given the decision.

Prior to the departure of the train the North Platte contingent shot off a large amount of fireworks which they had taken along.

The excursion as a whole was a very successful one; the Oshkosh people giving evidence of pleasure in meeting the North Platte people and the North Platte people were certainly pleased with the hospitality displayed by the Oshkosh residents. As a result of the trip acquaintances were formed, the worth of North Platte as a trading point was established, and as several expressed themselves to this writer, North Platte will hereafter get a good share of the valley trade which has heretofore gone to Omaha.

The people of the valley feel very kindly to North Platte and now that they know us better, they will visit us more frequently.
