"Under Southern Skies".

The appearance of Lottie Blair Parker's delightful play, "Under Southern Skies" is an event that should be looked forward to with interest by our theatregoers.

The company is a large one, numbering twenty-three people. The scenery is beautiful, everything used in the representation being carried by the company. The costumes are quaint and pretty, the gowns being of airy summer stuff, made in the fashion of 1875, which is the period of the play. A Halloween celebration during which a pumpkin dance is introduced, is one of the lively features of the performance, and never fails to delight an audience. Beautiful southern melodies are introduced throughout the play with great effect. The story of the play is both strong and interesting, and is relieved with much comedy which is contributed by the darkey servants and by their masters and mistresses, who are of the southern aristocracy.

"Under Southern Skies" is one of the big successes of recent years and no one who enjoys a first class play, presented in a first class manner, should fail to see "Under Southern Skies" at the Keith theatre next Saturday evening.

Can We Keep From Having Fires?

We think we are careful, and sometimes we are, but nevertheless a fire will break out once and awhile when we least expect it.

You can't prevent fires, but you can insure against them so when you have one the insurance company stands the loss, not you.

In order to accomplish this you must insure with reliable agents and companies. Temple Real Estate & Insurance Agency represents the best. 1 and 2 McDonald Block.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have this brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy the germ but Newbro's Herpicide. "The cause, and you remove the effect." Sold by leading druggists. Send for stamps for sample to "The Herpicide Co. Detroit, Mich." Two stamps—50 cents and \$1.00. McDonald & Graves, Special Agents.
