We have fitted up a special room for mothers and their babies, and also quarters provided with chairs and table where lunch can be spread and eaten or a rest taken after a drive in from the country. These rooms are free to all country people, whether they trade with us or elsewhere, and a cordial invitation to use them is extended to all. We believe that country people will find these accommodations convenient and agreeable, and all invited to come as often as they desire and remain as long as they please.

One section of our east room will be devoted to a delicatessen, where you will find the finest German Fancy Sausages made in this country, which will include Brown Schweiger Style Liberwurst, Mellwurst, Franfurter, Knockwurst, Bratwurst, Bluwurst, Schwartemagen, Head Cheese and other articles of this line.

The Celebrated Kamo Canned Goods
