Wreck at Plano.

Three cars of coal, forming part of the train of second section of No. 56 were derailed at Plano, about sixty miles west of this terminal, Sunday night about ten o'clock. The derailment was due to a broken wheel on one of the three cars, and the derailed cars, loaded with coal, were reduced to splinters. The cars were near the middle of the train, and that the wreck was not more serious is a source of wonder. The wrecking crew was sent up and cleared the track after a delay to traffic of eight hours.

The reception tendered Mr. and Mrs. M. Keith Neville Saturday evening by the Elks and their ladies was in keeping with past functions given by that lodge. The handsome furnishings of Odd Fellows' hall were made more beautiful by many palms, ferns and chrysanthemums, with here and there a touch of the Elks' colors—white and purple.

A buffet lunch was served in the dining hall, the tables, which were decorated with ferns and chrysanthemums and the Elks' colors, being in charge of Misses Kate Seyferth, Irma Clinton and Evelyn Freeman, while punch was served by Misses Hildegarde Clinton and Mamie Pizer.

Sam Delatour Indicted.

Sam P. The indictment was filed with Clerk Prosser, of the North Platte federal court, a few days ago, and a warrant served on Mr. Delatour last Saturday by a deputy United States marshal. Delatour gave bond for his appearance at the term of the federal court to be held in this city next January.

Sam Bowers in Trouble.

Sam H. Bowers, who lives on the county poor farm southwest of town, is in jail and will be called upon to face a serious charge, that of making a false and fraudulent affidavit for the purpose of being placed on the pension roll of the United States. Bowers was indicted on this charge by the federal grand jury recently in session in Omaha, and under the indictment he was arrested by a deputy United States marshal Saturday and placed in jail, and has not yet secured bond for his release.

Bowers made affidavit July 9th, 1907, before Judge Elder that under the name of Samuel Johnson he had enlisted in Co. G, 21st Volunteer Cavalry, at Harrisburg, Pa., June 16, 1863, and was discharged at Chambersburg, Pa., on November 26th, 1863. These statements the grand jury found to be false. Bowers will probably be tried at the January term of the federal court in this city.

A WOMAN 'O BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00.

The Corn Show.

We wish again to call attention to the corn show that will be held at Sutherland next Friday and Saturday and impress upon the farmers of the county the fact that there should be liberal displays of product, and especially corn. A good display at the Omaha corn show from this county will prove one of the best advertisements the county has ever had.

Zeke Dobson's "clodhopper" dance is one of the features that will be introduced in The Missouri Girl at the Keith tomorrow evening.

Twenty years ago last Friday an official test of the waterworks was made. Owing to the wind the stream could not be thrown 100 feet high, but it was thrown 164 feet horizontally. The supply of water was ample, but on account of the wells not being as deep as the contract called for, the acceptance of the test was postponed thirty days.

The Missouri Girl is a guaranteed attraction, and the theatre manager is instructed to refund the money if there is one single thing advertised that is not performed to the letter. The claim that it is the best domestic comedy ever written has never been disputed. The production of the play in this city will be the equal of any ever given. Not a line or a scene cut out, and not a bad actor in the cast. At the Keith Wednesday evening.
