

The North Platte Semi-Weekly Tribune.

TWENTY-FOURTH YEAR.

NORTH PLATTE, NEBRASKA, NOVEMBER 24, 1908.

NO. 87

NEWS OF TOWN AND COUNTY.

The A. O. U. W. has leased the opera house picture show for next Friday evening.

A. J. Salisbury has added a runabout automobile to his livery stable equipment, having purchased the white car that had been on sale at the garage.

9-15 Bale Ties at \$1.12 1/2 per bundle.

GINN & WHITE.

Major Lester Walker was taken ill in his office yesterday and it was necessary to summon a physician. He soon rallied, however, and is suffering no ill effects today.

Manager Miller, of the opera house picture show, is giving his patrons a double bill this week. The "Bellhops" remain for the week, and in addition a sketch team give a very good number.

A lodge of the L. O. T. M. was instituted by Mrs. Boyer at Brady Saturday with fourteen charter members. The guards of the local lodge went down and assisted in the installation ceremonies.

Deputy Sheriff Lowell returned Saturday night from a fruitless hunt for the fellow who stole the horse from Mr. Able living near Maxwell. After turning the horse loose at Lexington the thief dropped out of sight, leaving but little clue to follow.

Chafing Dishes, Leather Goods, Hair Combs, Fountain Pens, Cut Glass, Watches, Diamonds and the finest line of jewelry ever displayed in our city. Call early and get the best selection.

DIXON, The Jeweler.

H. N. Hart has sold out his dray line, disposing of the light dray to Everett York, one of the heavy drays to H. B. York and the other wagon to his son Harry Hart. We understand Mr. Hart will move to near Paxton and live on a tract of land he recently purchased.

Mr. and Mrs. W. A. Tanner, who went to Spokane, Wash., several weeks ago, returned to town yesterday morning. Mr. Tanner returns to Nebraska to accept a proposition that has been offered him since leaving North Platte and is a better paying position than he held in Spokane.

New York Salvage Co., is giving the people greater bargains every day.

Trinity cathedral, in Omaha, will be the scene of a brilliant wedding this evening when Nathalie Merriman will become the bride of Barton Millard. North Platte people—or at least the older residents—take interest in the wedding by reason of the fact that the mother of the groom was formerly a North Platte girl—Miss Jessie Barton.

Miss Whittaker continues her big reduction sale on all trimmed hats.

We notice by an Omaha paper that C. F. Scharman, along with four others has filed suit against a man named Whipple for \$50,000 damages for a breach of contract. The suit grows out of a failure on the part of Whipple to organize a horse collar company in Canada, the management of which was to have been taken, we understand, by Mr. Scharman.

An inspector of the postoffice department spent Saturday in town and made inquiries relative to another room for the post office, but found no suitable quarters. The lease on the present building expires February 1st next, and it is understood that the Odd Fellows have another tenant who is willing to pay about one-half more for the room than the government is now paying. Uncle Sam is a big man, however, and cannot be ejected from a building like us other fellows, and if he concludes to remain in the present quarters until the new federal building is completed, he can't be budged, though the rent can be elevated.

Personal Mention.

W. T. Wilcox went to Omaha Sunday to attend the meeting of the state bar association.

Judge Grimes went to Omaha Sunday to be present at the annual meeting of the legal fraternity of the state.

L. W. Walker leaves tonight for Chicago who he will purchase additional machinery for the electric light plant.

Mrs. Fern Vinson, of Denver, arrived Monday to spend Thanksgiving with her parents, Mr. and Mrs. C. J. Perkins.

Mr. and Mrs. H. N. Hart left Sunday for Ft. Dodge, Iowa, where they were called by the death of Mr. Hart's uncle.

Mrs. Gill and Mrs. Abern, mother and sister respectively of Mrs. S. R. Derryberry, who had been guests of the latter, returned to their home in Callaway yesterday.

Mrs. Helen White, who had been abroad for several months, arrived in New York last week, and at present is visiting relatives at North East, Penna. She will soon return to this city.

Mr. and Mrs. T. C. Patterson will go to Omaha tomorrow night to spend Thanksgiving with Misses Ruth and Edith Patterson. Mrs. Patterson will probably remain in that city for a week.

Rev. Seibert went to Sutherland Saturday and attended a farewell reception tendered that evening to Rev. Powell, who soon leaves that charge. Mr. Powell was presented with a set of toilet articles, Rev. Seibert making the presentation speech.

Tuberculosis Campaign.

A. T. Peters, of the agricultural station at Lincoln, in a letter to The Tribune says: "Knowing that you are interested in the tuberculosis campaign, we wish to state that we are now in a position to test herds of cattle free of charge. We have been fortunate enough to secure some assistance from the government, the Bureau of Animal Industry having stationed two veterinarians with the Department of Animal Pathology to co-operate with us in this work. Therefore any dairyman or farmer wishing to have his dairy or breeding stock tested should send in his name and address to the Department of Animal Pathology, Nebraska Agricultural Experiment Station, Lincoln, Nebraska, and state how many head he wants tested."

Quite a serious accident occurred last Friday about eight miles north of Wellfleet. A Mr. Miles and family were moving from Palisade to North Platte and traveling in a covered wagon in which there was a stove and fire in it, the morning being cold. While driving along a bad piece of road the wagon upset and instantly took fire and in a few minutes was entirely consumed. The little ten-year-old son of Mr. Miles was very severely burned and was brought back to town and afterward taken to the hospital at Holdrege, his father and Dr. Rudston accompanying him.—Wallace Winner.

There was a railroad meeting in Arnold last week, and as reported to us, the five directors of the Kearney and Loup Valley Railroad proposed to the people of Arnold that they vote bonds to the limit, and donate \$2500 cash. They represented the company as being backed by the Union Pacific. A committee was appointed to look into the matter. Wonder when a railroad meeting is due here and how much they want us to give them?—Gandy Pioneer.

J. H. Edmisten Receives Sentence.

Mr. Edmisten, who for a year past has been engaged in the real estate business in North Platte and has made this city his home, pleaded guilty in the federal court at Omaha Saturday to a conspiracy to defraud the government in Thomas county land deals and was sentenced to pay a fine of one thousand dollars and serve four months in the county jail in this city.

Mr. Edmisten, who was formerly state oil inspector and at one time chairman of the populist state central committee, was indicted by the federal grand jury in Omaha June 4, 1906, on three counts of perjury, subornation of perjury and conspiracy, and on June 15, 1906, of forgery in seeking to defraud the government out of use, title and possession to large tracts of land in the North Platte land district.

The case was called on trial February 24, 1907, but the defendant failed to appear and his bond of \$5,000 was declared forfeited. On April 3, of the same year, on motion of his attorneys, and on proper showing the order of February 24, forfeiting his bond, was vacated.

The trial was set for some months later, but the defendant was unable to appear on account of illness and the case had been continued up to the present time. Mr. Edmisten was in court with his attorneys, W. S. Smmmers, of Omaha, and E. B. Strode of Lincoln. Both attorneys made an earnest plea for a light sentence in view of the long public service of the defendant and his hitherto good character.

Upon the request of the attorneys for the defendant, a stay of execution was granted until Dec. 1, to enable the defendant to arrange his affairs prior to entering upon his term of imprisonment. The Lincoln county jail was selected as being the present home of the defendant. The plea of guilty was made upon one indictment for conspiracy, the other indictments for perjury, subornation of perjury and forgery being dismissed by the United States district attorney.

Sunshine Society Notes.

North Platte Sunshine, Branch No. 1 met at the home of Mrs. James Snyder November 20th, 1908. There were thirty ladies present and the afternoon was spent in sewing for a family which was burned out. Thirty-three garments, six pair of stockings and a pair of baby shoes were given to this needy family. Miss Annie Kramp proved her sunshinefulness by donating two new suits of underwear, which were readily and quickly disposed of.

The Baptist ladies were real Sunshiners, making dresses and giving them to a family in need.

The young people held a Sunshine social at the home of Mrs. Perkins on Thursday evening. Refreshments were served and a collection, amounting to two dollars was taken, and turned over to the Sunshine Society.

Mrs. Mary Lowe contributed reading matter for the Rest Rooms and in this way scattered sunshine for others.

We desire to extend thanks to Mrs. Brown for a quilt and to Mrs. Dugan for a comfort, both of which were given away, and for their cheerful willingness to scatter sunshine in every direction.

The mite box in Mrs. Jennie Armstrong's restaurant collected \$2.50; the response from the patrons of the restaurant was generous, stimulated as they were by the representations of the proprietor regarding the home. The proceeds show what sympathy the people have for the blind babies.

Will some good sunshiner donate a table or stand to hold magazines for the rest rooms, which Mr. Tramp has kindly offered for Sunshine headquarters. Please telephone No. 53. A mite box for the blind babies has been placed in the rest rooms. Though the mite box seems at first glance an insignificant thing, yet it plays an important role in this little drama of finance.

Sunshine desires to express their thanks to the editor of The Tribune for the boundless courtesies extended to them through the press, and to The Telegraph for its notices.

Sunshine knows nothing of selfishness, it has no jealousy of others, and it is not a competitor.
