The Sidney Telegraph states that "the increase of the vote in this, the 30th senatorial district since 1906, was 6464." The total vote in the district at the last election was 12728. Instead of one senator this district should have at least three. This representative district cast 9049 votes and should have four or five representatives instead of one, but so long as the east end of the state controls affairs the west end will never get what it is entitled to.—Ogalla News.

Mrs. J. J. Halligan is entertaining the bridge club this afternoon.

The Indoor Picnic club will meet at the home of Miss Nell Hartman Tuesday evening.

Mr. and Mrs. M. H. Douglas will entertain a party of friends at cards at their home this evening.

The D. of H. social club will meet at the home of Mrs. Frank Martin, in the Third ward, next Tuesday afternoon.

Mrs. Thomas Healy assisted by Mrs. Chas. Whelan, Mrs. Jas. Hart and Mrs. Geo. B. Dent pleasantly entertained the Indian Card Club at the home of the former Wednesday. The fork was won by Mrs. E. F. Seeburger and the consolation awarded to Mrs. Dent.

Mrs. W. M. Cunningham was the recipient of a pleasant surprise last evening when the members of the Indoor Picnic Club invaded her home without previous warning. The evening was spent in playing various games, charades being the particular amusing feature. At the close a delicious lunch was served in the usual picnic style.

Mr. and Mrs. Roy Vernon entertained a dozen or more friends at high five last evening and a very delightful time resulted. Among the guests was Claude Delaney, who is not much of a card player and his poor success in times past has made him the butt of considerable ridicule. Learning that George Austin always won when he carried a rabbit's foot in his vest pocket, Mr. Delaney secured one, but unfortunately it proved a hoodoo instead of a mascot. It now transpires that Delaney's foot was from the right front leg of the animal instead of the left hind leg, and that also the rabbit had been killed on the open prairie during the day instead of in a graveyard at midnight.

The Ungrateful Cuckoo.

To hear the cuckoo's cheery note you might think he had the clearest conscience in the world. He can have neither memory nor moral sense or he would not carry it off so gaily. We say nothing of the "raptors," who are a race apart, but the most disreputable of birds, as a rule, are guilty of nothing worse than peccadilloes. The jackdaw will steal for the mere fun of the thing, for he can make no possible use of plate or jewelry, and sometimes under temptation may make a snatch at a pheasant chick. Sparrows are, of course, notorious thieves, but they rank no higher in crime than the sneaking pickpockets. But the cuckoo, so to speak, is a murderer from his cradle. He violates the sanctity of a hospitable hearth. His first victims are his own foster brothers, and before he tries his wings on the first flight he is imbrued in fraternal blood, like any Amurath or Bazarjet.—London Saturday Review.

A Statement.

After many trials and great labor the boys' band has finally conquered and we are a fixture. No town in the state can boast of a boys' school band except North Platte. We have our own band room, meet regular and it costs the band at least \$15 per month to meet our rent, fuel and lights. The band needs new music and we are in hopes that we can raise money to supply the same. I know not how citizens and parents may feel, but I am proud of the boys' band and should the citizens feel the same let them purchase tickets and attend the opera house show, this Friday evening. Dr. Miller has kindly given the band this benefit. Any boys wishing to join the band can do so, as we are anxious to increase the number. Any contributions gladly received.

It's a Real Thanksgiving for the Family with a Monarch Range

WALLEABLE

With a Monarch Range in the Kitchen there will be true thanksgiving in the hearts of cook and guest alike. A woman's pleasure in using this perfect range quite equals her pride in serving the family and guests with the delicious food it prepares. Why not make this a Genuine Thanksgiving in your home? What ever your cooking arrangements may be, you can improve them—and you ought to do it. It's not as though it were an extravagance to buy the "best range possible"—as a matter of fact you can't afford to use anything else! The Monarch actually does its work with so little fuel that it soon Pays Back Its Cost in Real Money.

The things that the Man With a Monarch Range in His Kitchen Has to be Thankful for.

Some Features of the Monarch Range that makes the Woman Who Uses One Truly Thankful.

- The Polished Top.** Never requires any stove blackening—yet is always in perfect condition—clean and shiny.
- Wellsville Steel Body.** Always retains its splendid finish without the use of stove blacking or paint. Most lasting material known for range bodies.
- The Duplex Draft.** A device found on the Monarch alone which does away with sifting ashes and keeps the oven uniformly heated.
- An Air-Tight Oven.** With patent non-warping bottom. Seams can never open up to admit drafts, ashes and dust as in a so-called "Steel Range." Assures Perfect baking which can be done only in an air-tight oven.
- Lower Warming Closet.** A convenient storage compartment underneath the oven. With the door open it heats the kitchen like a base burner and can't interfere at all with the baking oven.

It Pleases His Wife Thoroughly.
A woman who uses a Monarch Range is more than merely satisfied. She is pleased—enthusiastic about it. She appreciates that she has a range far superior in every respect to the so-called "Steel Ranges" that her friends are using.

It Cooks His Meals Promptly and Perfectly.
No unexpected delay because "the oven wouldn't heat." No spoiled meals that are usually blamed on the cook when the range is really at fault.

Uses so Little Fuel It Pays for Itself.
Here's the important thing. This makes the Monarch the range for poor and rich alike. It saves its own cost in a short time and continues to save, year after year. It's an investment that yields big returns regularly, long after the principal has been paid back.
