

CLOAKS AND SUITS

ONE-HALF PRICE

Tuesday, January 19th, to continue until February 1st,
 every Cloak and Suit in our stock at just One-half of the regular price. We are determined to close out every garment we have in stock if it is possible to do it. This is the greatest chance you have ever had to buy good, dependable goods at this kind of a price. It means considerable of a money loss to us on every garment sold, but we believe the only successful way to run this department is to have no left over styles at the beginning of the next season. **THIS MEANS THAT YOU CAN BUY:**

\$5.00 Cloaks or Suits for.....	\$2.50	\$12.00 Cloaks or Suits for.....	\$6.00	\$20.00 Cloaks or Suits for.....	\$10.00

PICKARD China presents many interesting features. The beautiful shapes, pleasing decorations, brilliant coloring and diversified style of handling, together with the rich gold work, all combine to give it that exclusive merit so much appreciated by people of taste and refinement. Nothing tells the story so well as the china itself. It must be seen to be fully appreciated.

Every piece produced in Pickard's Studio is entirely hand painted, each article representing the individual work of one person.

Revivals Still Continue.

Evangelist Shannon came near a physical collapse and had to get away for a few weeks absolute quiet and rest. He went to his home at Stanwood, Mich. Last Sunday night was the biggest meeting in the two weeks, more than 500 people crowded the hall and the Baptist church building, and fully 100 were turned away. About a dozen men lined up and several other persons besides. During Shannon's stay there has been about seventy-five genuine conversions and all, together some ninety people made a definite start in right paths.

The revival continues with Mr. Ross the singer evangelist in charge of the chorus, and Mr. Favoright in charge of the preaching. Mr. Mann, the new shop foreman, will take part in the service tonight (Tuesday) relating his experience when he became a christian while running as an engineer.

The Oliver Cromwell Entertainment.

Speaking of this entertainment the Rev. A. H. Studebaker, D. D., of Baltimore says in a letter. "It was a success from every standpoint. Our only regret is we did not have a week's engagement. For three successive nights the entertainment was presented to standing room only in the largest theatre in this city." The same success seems to follow where ever this historical entertainment is presented. On five different engagements of two nights each the Academy of Music in Philadelphia was packed to the doors. The World Herald in the account of the recent presentation in Omaha says over 2,000 were present the first evening. Between Omaha and North Platte the entertainment will be presented at Fremont under the auspices of the Y. M. C. A., at Columbus by the Congregationalist church, at Grand Island by the English Lutheran church and at Kearney under the auspices of some Woman's Club for the benefit of the city hospital. Keith Theatre February 8th and 9th.
