Use Rexall Cherry Juice Cough Syrup. At 8:30 a banquet was held at the Bullard residence, the menu being served by the ladies' guild of the Episcopal church. Covers were laid for thirty, and the spread was a most excellent one. The cost of the banquet was borne by the losing team.

South Siders Object to Bonds.

Owners of real estate south of the river and included in the school district of North Platte will probably present a petition to the board of education at the next meeting asking that the territory be set apart from the district, one object of the move being to escape the taxation brought by the voting of additional bonds for school purposes. Should the board grant the petition, it will be necessary to change the date of the school bond election, as it is believed that the territory to be set apart could not be divorced from the district after the bonds had been voted. This would delay the election about thirty days.

In recent years the cost of maintaining the south side school has been greater than the taxes derived from the territory, and a net loss to the district has occurred, but under the increased assessed value of real estate made last year, the taxes from this time forward will probably be in excess of the cost of maintaining the school.

An Evening in Dixie.

"All the darkies will be there, don't forget to curl your hair or black your face; possum and sweet taters served at 7:30 prompt." Such was the invitation sent out by the lady members of the P. E. O. to their husbands, with the Grimes residence as the place and Tuesday evening the date. The invitation was complied with and each appeared with black faces and in fancy dress, and as might be expected the appearance of each was very amusing. Particularly attractive was W. T. Wilcox with his black curly hair and his dude clothes. The function was termed an "Evening in Dixie," and true to the name a Dixie dinner was served, a real possum being the piece de resistance, cooked in true Southern style and accompanied with sweet potatoes and corn bread. The dinner proved highly enjoyable, as were also the stunts by some of the black face artists.

Coroner's Verdict.

The coroner's jury, empanelled for the purpose of inquiring into the accident which resulted in the death of Fireman Jesse T. Barry, rendered this verdict: "That the said Jesse T. Barry came to his death by defective rod in switch located about seventy-five yards east of where engine now lies, by careless and criminal negligence on the part of the Union Pacific Railroad Company."

The jurors were George M. Young, Carl Nelson, George McMullen, Wm. Meyers, Gus Hamer and Riley York, all farmers who were in town attending district court.

Farm to Rent.

Four miles from North Platte; 110 cow pasture, 80 acres farm land, 200 acres wild hay and 40 acres alfalfa. Good house and barn. Inquire of F. H. Carlow, Scout's Rest Ranch, North Platte, Neb.

Basket Ball Game.

A game of basket ball between the Gothenburg and the local high school teams will be played at the opera house this (Friday) evening at eight o'clock. Gothenburg is said to have a very strong team, and a snappy game is anticipated.

The game is under the auspices of the athletic association, which is endeavoring to pay the deficit resulting from the foot ball season.

Come out, see a good game and incidentally separate yourself from a few quarters for the benefit of high school athletics.

Double Track to Kearney.

From a reliable source it is learned that a work order has been issued for the construction of an additional track between North Platte and Kearney and work will begin as soon as the weather will permit. This work will start at the east end of the bridge, the object being to have the track completed as far as Brady at the earliest possible time, in order to avoid the congested conditions which frequently occur between this terminal and that station. Big grading outfits will be distributed at several points between North Platte and Watson's ranch.

The Baptist Church.

The prayer and conference meeting this week was a notable affair. Just such a meeting should be expected after some weeks of revival. Forty people gathered and twenty-nine of the number took part in the speaking, some of them participating twice.

A committee was appointed to arrange for a public reception next Monday night in the Unitarian hall for the new members. Another committee was appointed to arrange for the annual roll call and business meeting to be held Wednesday night, Feb. 10th.

All services will be held at the usual hours next Sunday. In the morning a sermon will be preached for the special benefit of converts. The evening service will be a continuation of the revival. Several more persons are to be baptised.

A Cowboy's Girl.

"A Cowboy's Girl" which is to be the attraction at the Keith Monday evening has proved to be one of the strongest attractions on the road and one of the most universal satisfaction givers. The play is a beautiful story of heart interest that runs throughout, is abundantly supplied with comedy and the climaxes are of great strength and intense interest. Every endeavor has been used to give it the most careful production and as elaborate stage settings as possible without detracting from the atmosphere of the play. The scenes are all laid on the border line of Old Mexico and Texas before the advent of the "iron horse," its wire fences and civilizing influences, when the nearest neighbor was a day's ride, and going to town was a matter of a week or more. The first act shows a street in a typical cattle town with its saloons, corrals, and the one hotel, in whose bar-room the next act takes place. The third act is in the round-up camp with its broad expanse of prairie, unbroken save for the chuck wagon and campfire of the cowboys, while the last act is a duplicate of an old time ranch house, battered by many rains and burned by countless suns whose hospitable doors are always open to the weary traveller, be he rich or poor.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It kills itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00. McDonell & Graves, Special Agents.
