

FOR THE OFFICE MAN.

If your work is close and confining your eyes are bound to suffer—probably they have already caused you some worry—better call in and have them examined today. The relief that a pair of well fitted glasses will give you and the prevention of further decline in the strength of your eyes are two large items that should not be overlooked. Let us fit you if necessary with the proper lenses—the cost is reasonable.

Move Toward a Chautauqua.

Last evening there was a definite move made for a chautauqua in North Platte. Several men interested in the move met in the parlor of the Y. M. C. A. and talked the matter over. A committee of three was appointed to solicit stock looking toward the organization of a stock company. We believe the meeting marks the beginning of a splendid chautauqua for North Platte. We want everybody to boost. It is a North Platte move.

It is not for any particular few but for our city and vicinity. It will bring to our city the best that the world affords in the way of lecturers, music and entertainment. Several of the towns and cities about us are holding each year successful chautauqs. North Platte should not be behind even the best. We have the field; we have the population; we have the intelligence. In fact we have everything necessary to insure a successful chautauqua. Let us all take hold and make it go.

Lincoln Birth Anniversary.

The joint committee of the G. A. R., W. R. C. and public schools, appointed to arrange for a program for the proper observance of the one hundredth anniversary of the birth of Abraham Lincoln announce that the exercises will be held at The Keith Theatre Thursday, Feb. 11th, the day preceding the anniversary. The selection of this date was made necessary by the fact that the theatre is engaged for the following day.

Two meetings will be held, one in the afternoon and one in the evening. The afternoon meeting will be for the children, which will be granted a legal holiday on that day, and they will furnish the music, assisted by the high school quartette. Addresses will be made by Mrs. Tout, Mrs. Beeler and Mrs. Robinson.

For the evening meeting several speakers have been secured, and music will be furnished by the high school quartette.

The program in detail will be published in Tuesday's issue.

Mr. Hill is Coming to Town.

Lew Hill, representing the Ridgley-Walker Co., tailors of Louisville, Ky., will arrive in town next Monday and will make his headquarters at Weingand & McDonald's. Mr. Hill has visited North Platte a number of times and has taken more orders for men's clothing than the representative of any other tailor. This is due to the fact that he knows how to measure a man for clothes, and the firm he represents knows how to make clothes. Mr. Hill will have with him 500 samples of woods, and he will be able to please the most critical purchaser. He guarantees a perfect fit and complete satisfaction. Leave your order with him. If you do not need a suit for immediate use, it will be made and shipped at any time you may designate.

Mogul Coffee is a 35 cent quality for 25 cents per pound. Ask your Grocer.
