Now that the Third ward is to have a modern school building and to make it complete sewerage connection will be necessary, the citizens of that ward are now taking the preliminary steps toward creating sewer districts. This is a move in the right direction, as it insures more perfect sanitary conditions in town. The Third ward people are paying a sewer tax, and they might as well take advantage of the benefits to be derived from the system.

NIGHTS OF UNREST.

No Sleep, No Rest, No Peace for the Sufferer from Kidney Troubles.

No peace for the kidney sufferer—Pain and distress from morn to night. Get up with a lame back, Twinges of backache bother you all day.

Dull aching breaks your rest at night, Urinary disorders add to your misery. Get at the cause—cure the kidneys. Doan's Kidney Pills will work the cure.

They're for the kidneys only—Have made great cures in North Platte.

August Ackerman, North Platte, Nebr., says: "For at least four or five years I suffered from catches and dull, heavy pains through the small of my back, directly above my kidneys. I could not rest well and tossed about from one position to another until morning came. The kidneys were also disordered, the secretions being far too frequent in passage and forcing me to get up several times during the night. I was subject to headaches and dizzy spells and about a year ago was in a terribly nervous and run down condition. When I heard Doan's Kidney Pills so highly recommended, I procured a box at A. F. Streitz's drug store and I noticed an improvement after the first few doses. Thus encouraged, I continued using the remedy and I was restored to good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
