TWENTY-FIFTH YEAR.

NORTH PLATTE, NEBRASKA, FEBRUARY 23, 1909.

NO. 9

TOWN AND COUNTY NEWS

The Tribune's effort to coax some gentleman to announce his candidacy for mayor has not been successful up to date. The probability is that some will need to be drafted.

Mrs. Kate Cantril, of Vancouver, and Mrs. Mary Colby, of Trinidad, who were called here by the death of their mother, Mrs. Isabella Nixon, returned to their respective homes Friday.

Conductor Charley Breternitz went out to his ranch the latter part of last week to welcome the advent of a new son. Charley now has a family of three girls and two boys.

Drink Mogul Coffee.

The sheet and pillow case dancing party given by the Temple Craft at the Masonic hall Friday evening was attended by forty or more dancers and a number of spectators, all those participating in the dance the early part of the evening wearing the bed furnishings.

Lent begins tomorrow and a majority of local society people will for forty days refrain—in some degree at least—from social activities. At the same time some of the ladies have been going for a month or more past we should think they would enjoy this enforced rest.

For Sale—Residence Property. Nine room house, good lawn, sidewalks, fences, good barn and other out buildings. All new. Splendid home. Inquire of L. C. Swan or call at 7:10 W. 2nd St.

The dispatching of trains between North Platte and Sidney exclusively by telephone is proving very successful, and is found to be an improvement over the wire system. The system in use is known as the Gill, and it is pronounced the most modern and up to date that has yet been tried.

The gasoline engine which furnishes power for the elevators at the icing plant will be removed from its present location to a point farther west, thus avoiding so much friction on the 400-foot shaft, the greater power being needed at the new houses where the lift is higher.

See our spring display of genuine Alligator Hand Bags; direct from Florida. Dixon, The Jeweler.

The entertainment given by the pupils of the Third and Fourth grades of the city schools at the auditorium Friday evening was attended by an audience that nearly filled the seating capacity of the room. There were about twenty numbers on the program, and they were all well rendered. The vocal numbers gave evidence of the good work Prof. Garlich is doing as supervisor of music in the schools, and the other numbers reflected creditable upon the care and preparation given the pupils by the teachers of those grades.

Arthur Fonda left Sunday for Rawlins where he will accept a position with the Union Pacific.

William B. Persing, of Iliff, Col., and Mary J. McDonald, of this city, were united in marriage by Rev. C. F. Chapman Friday.

This means that no work will be done on the building this year, and that at least two years will elapse before its completion after construction work begins.

C. A. Howe returned from North Platte Monday to make his residence on his Kinkaid northwest of town. He will have a barn erected and a well put down as soon as possible. He brought ten bushels of "Kheron" oats with him from the North Platte Experiment Station which yielded ninety-two bushel to the acre and which he expects to plant on his place the coming spring.—Oshkosh Herald.

Thomas Hughes Dies.

Thomas Hughes, whose illness was noted in our last issue, died at his home in Hastings Friday. For many years the deceased was in the service of the Union Pacific as an engineer out of this terminal, and was intimately known by all of our older citizens. After terminating his service with the Union Pacific he moved to a farm near Junita and later took up a residence in Hastings. His death was received with regret by his many North Platte friends.

Extend Call to Rev. Williams.

At the congregational meeting held at the Presbyterian church Sunday evening, a call was extended to Rev. Geo. Williams, of Lexington, at a salary of \$1,350 per year. This is \$150 per year more than he at present receives. Rev. Williams has been pastor at Lexington for several years and is regarded as one of the strongest pulpit orators in the west part of the state, a successful pastor and is a very affable man. Whether Rev. Williams will accept the call, is not known.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance.

It is impossible to do this without retaining a luxurious growth of hair. The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness.

Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure.

Accept no substitute—there is none. Sold by leading druggists. Send 10c. stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00. McDonell & Graves, Special Agents.
