### A Splendid Entertainment.

Misses Josie and Anna O'Hara presented their musical extravaganza last evening to an audience that more than filled the seating capacity of the Keith theatre. From the opening number "Meet Me in Rose Time, Rosie, with the six dancing girls in front, a bevy of pretty girl faces peeping through the open petals of roses set in a background of black and a dozen summer-dressed young men surmounting the background, through to the closing number, "My Own United States," produced with considerable allegorical splendor, the audience was entertained in a manner that no previous home entertainment had equalled.

There were ten numbers on the program, not one of which was dull, in fact all were so bright, the settings so pretty that each received merited encores. The clown song by a half dozen boys in costume, with false faces on the back of their heads, proved a decided hit. "Cupid's Telephone" as portrayed by Carl Abrahamson and a dozen or more young ladies was a bright pretty stunt, and the Dream of Fairyland, participated in by fifty children with Helen Waltemath as queen, appealed strongly to those who admire child acting, and that means everybody. Especially pretty were the Fisher Maidens, in which the maidens looked most bewitching in their summer costumes, with fishing rods, to the line of which first dangled a fish then a red heart and the music, with Miss Clinton as soloist, had a catchy jingle that won the audience.

"I Love my Wife, But Oh, You Kid," as carried out by Miss Seyferth, Mrs. George Schatz and Messrs. Clinton and McGovern and in which Miss Seyferth appeared as the coquette proved one of the best numbers, and was followed by "Boogie-Boo," in which a dozen tots appeared in "nighties," and with Elizabeth Weir as soloist, told of the boogie man.

A four-character sketch, in which Mrs. George Schatz, Miss Alma Waltemath, Richmond Birge and Guy Robinson appeared as the porrayers showed up the much maligned mother-in-law, in an amusing manner, followed by the "Glow Worm" in which Miss Clinton and Mr. Munger appeared as principals, supported by a chorus, in which pretty electrical effects were used. "The Fair Coed," a very catchy song, with Frank McGovern as soloist and the young men with their guitars and mandolins, brought forth the coeds from their summer habitation, the whole presenting a very pretty scene. The program closed with "My Own United States."

To Miss Josie O'Hara, who directed the music, and Miss Anna O'Hara, who looked after the stage settings and drills, great credit is due, in fact they demonstrated an ability in that direction that cannot be too highly complimented. For over a month they worked zealously for the success of the production, and certainly the result attained—the enthusiasm displayed by the immense audience—should be evidence to them that their work was fully appreciated.

### Baptist Church.

The warm weather has only effected us for good, interest has not diminished. In some respects it has increased, forty persons were in attendance at the mid-week service on Wednesday night, and a delightful meeting held. One young lady will be received into membership Sunday morning.

The day will be observed by the regular appointments. The evening preaching service will be out of the ordinary in that special music will be rendered with Glenn Mann in charge. The sermon will be delivered by Dr. Beatty, superintendent of the Junior normal of this city. A large audience is expected. Everybody is welcome to the full seating capacity of the building.

### Harry Worrell Married.

Harry E. Worrell, cashier of the Sutherland Bank, and for a number of years teacher in the North Platte schools, was united in marriage Wednesday evening to Miss Elmore Hoover at the bride's home at Sutherland. The ceremony, which was performed by Rev. Mr. Chapman of this city, was a quiet one only the immediate relatives of the contracting parties being present. The North Platte friends of Mr. Worrell extend congratulations.

### Ten Million in Wages.

Labor Commissioner Maupin has compiled the reports of the manufacturers of the state and the compilation shows that the value of all the products of all the manufacturing plants in Nebraska for the last year amounted to \$160,232,792, against a total of \$151,286,926 for the year previous. Wages paid for the last year amounted to \$10,157,950 against a total of \$8,371,174 for the year previous. Material used last year amounted to \$95,225,161, against \$91,416,998 for the year before.

The products of the smelting and refining plants for this year amounted to \$34,912,960, against \$37,416,000 for the year before. No reason is given for this decrease. The slaughter and meat packing products amounted to \$82,243,725 this year, against \$74,277,800 the year previous. The number of manufacturing plants increased in the year from 494 to 843. This is believed to be due to the fact that many of the manufacturing plants failed to make a report last year rather than to the actual increase in the number of plants.

### Sidney versus North Platte.

On Monday and Tuesday afternoons of next week the Sidney and North Platte ball teams will try conclusions on the local diamond. Much interest attaches to these games, principally for the reason that Sidney has twice defeated North Platte this season with out, as most of our people believe, having a license to do so. It therefore follows that the games will be full of ginger, and will probably be as good exhibitions of the game as we shall see on the local grounds this season. It will be well for every fan to be in his seat both afternoons.

### Expansion of Telephones.

The North Platte telephone company is boosting its business and has set a mark of seven hundred phones before the frost is on the pumpkin next fall. The number of phones in the system is now 634; this exclusive of the 150 phones on the farm lines radiating out of North Platte. Seven hundred phones will mean a phone in about two-thirds of the houses in North Platte, and such will certainly be a good showing for the progressiveness of our people and the hustling enterprise on the part of the company.

### Kidnapped His Own Child.

James Eraken, who has been in jail many times before, was arrested yesterday and is now registered at the Hotel Miltonberger on the charge of kidnaping. Eraken went over south of town to the home of his wife who obtained a divorce some time ago and was given the custody of their little girl by Judge Grimes, and took the child saying that he was going to Hershey for a visit. Instead of going there he came to North Platte with her. Mrs. Eraken immediately came to town and swore out a warrant for his arrest and he was placed in jail. The preliminary hearing will be held some time today.

A nine-year old son of J. H. Anderson fell from a tree one evening recently and sustained fractures of both wrists. While the accident was a distressing one and the youngster's hurts are exceedingly painful, it is expected that he will recover proper use of the members in time.—Sutherland Free Lance.
