The meetings at the tent have been of a very practical nature this week. While devoid of any fanaticism or excitement they have encouraged religious souls to a deeper consecration, and held out hope for those lost in sin. Drowned in Ritner Lake.
James Kegan, the fifteen year old son of Mrs. Kegan, a widow of this city, was accidentally drowned at the Ritner lake ten miles northwest of the city while in swimming on Wednesday morning.

He had been engaged to work at the Ritner place on Saturday and on Wednesday morning Mrs. W. C. Ritner came to town and left the place in charge of an old gentleman and the boy. During the morning the boy, in company with another lad from town went out to the lake to fish and have a swim. The boy did not come home in the afternoon or during the night and the old man informed Mrs. Siebold, who lives nearby, of the fact. She drove over to the place and taking a saddle horse, she rode to the lake and found the body of the boy washed up on the bank. His clothes were on the bank, indicating that he had been in swimming. Coroner F. H. Longley was notified and went to the lake and brought the body to town.

An inquest was held and a verdict of accidental drowning was rendered. It is supposed that the other boy was with him at the time of his death, but he came to town without saying a word about it.

Mrs. Kegan is a hard working widow living in this city, and the boy was one of her main supports. He was a nephew of Frank Martin of this city.

To cure sore lungs, colds, obstinate coughs and prevent pneumonia, its best medicine on earth. 50c and \$1.00. Guaranteed by the Stone Drug Co. Trial bottle free.

Mr. Ebright will therefore secure the nomination by petition and his name will be found on the November election ballot as a candidate for the office he so successfully filled.
