SOL HODES, The Shoery.

Council Proceedings.

The city council met in regular session Tuesday evening with the entire council, city clerk and city engineer present. City Atty Halligan was absent, being out of the city.

The minutes of the two previous meetings were read in full and approved. The report of city treasurer Mooney was received and upon motion was placed on file.

City Engineer Welch reported that 6th Street from Locust to Pine was too high for good drainage of the street and that Dewey Street was about 12" too high. The matter was referred to the street committee with instructions to find out if the property owners on both sides of 6th St. from Locust to Pine are willing to put in tile, 12 inches below the present ditch level so as to secure drainage and permit the street to be filled in as Dewey St is.

The city att'y was instructed to draw an ordinance for the construction of sidewalk, on the south side of blocks 19 and 20 in N. P. T. L. Co. addition.

The ordinance for sewer district E and G-1 were read the third time and were passed and approved.

The contractor for the city walks was ordered to place cement walks as follows.

South side of lot 8, block 50; south

side of lot 7 & 8, block 71; south side of lot 7 & 8, block 53; south side of lot 8, block 131; south side of lots 7 & 8, block 132; south side of lot 7 & 8; block 4, Peniston addition.

All bills on file were presented and allowed after which the council adjourned. The next regular meeting will be on Aug 17th.

Lumbermen vs. Clothiers.

Next Sunday afternoon at two o'clock the lumbermen and clothiers will contest for supremacy on the ball diamond. It will be a game in which "all stars" will participate—perhaps not stars in the base ball constellation, but "stars" otherwise. Take for instance Dick Baker, who was never known to be quiet in action or voice for one minute;

Jack Austin, the smoothest all around ladies' man in the town; Rich Birge whose bass voice has charmed the savage breast or beast, George T. Field, who won base ball laurels in Chicago before the disastrous fire in that city; Guy Swope the Beau Brummel in ball uniform; in fact the whole bunch of eighteen have in one way or another won some distinction, the recital of their exploits would be sufficient to fill more columns than we have at our command.

There is no denying that this terrible tragedy in nine acts will be the real attraction—past or future—of the year 1909, and no one can afford to miss it, especially as no admission fee will be charged.

The automobile owners of the city are pretty smooth fellows. Just to convince Mayor Patterson, Street Commissioner Salisbury or the councilmen that there are rough places in the streets, they invite the officials to go riding and when they reach the rough spots they crowd on all speed. Of course a little hollow place or a high crossing, is keenly felt when a car is traveling forty miles an hour, in fact it almost bounces one from the seat, whereas if driving slowly the jar would scarcely be felt. It's an excellent method of magnifying the rough conditions of the streets—but The Tribune doesn't fault the car owners; he would do the same if he had a car.

W. H. Combs and wife are among those who will go to Salt Lake for the G. A. R. reunion.

For Rent—New seven room house at 609 east Second. Inquire of O. E. Elder.

J. B. Redfield, of the Klopp & Bartlett Co., of Omaha, transacted business in the city yesterday.

Hartman Makes Good.

Fred B. Hartman, who has been holding a position with the Southern Railway System, has recently been appointed general inspector of equipment of that system, and the promotion carries with it an increase of fifty dollars per month in salary.

This is evidence that Fred is "making good" on the Southern System, and his North Platte friends will be pleased to learn of his success.

Notice to Democrats.

I am a candidate for the office of County Commissioner, 1st District, subject to the decision of the democratic electors at the Primary Election, August 17th. The new law provides that voters at a primary election may WRITE in the name of a candidate. If the democrats will write in under the column marked Democrat:

For County Commissioner, 1st. Dist. Vote for One

A. F. STREITZ Democrat

my name will be printed on the official ballot.

A. F. STREITZ.

Surprise Their Friends.

A very pretty family wedding was solemnized Wednesday evening at the home of Mr. and Mrs. Herman Otten, 909 W 5th St. when their daughter Mabel was united in marriage to Mr. George M. Stryker of this city.

The event was looked for at some future time, but coming as it did, it was a complete surprise to all their friends.

The ceremony was performed at 8 o'clock by Rev. Siebert, of the Lutheran church, after which a two course lunch was served. Again they sprang a surprise by going to the depot and taking No. 7 for Sidney, instead of No 12 for the east, as was expected. From Sidney they went to Mitchell, where the groom is interested in an alfalfa meal mill. After spending a month there they will go to Kansas City, where they will make their future home.

Only members of the families and a few friends were present and the bride and groom were unattended.

The bride was attired in a tan stripe travelling suit of Pean De Soie, while the groom wore the conventional black. The house was beautifully decorated with ferns and cut flowers.

The bride was born in North Platte and has lived here all her life. She attended the High School for three years but did not graduate. She has a host of friends in the city who do not like to see her leave, but wish her much happiness and prosperity.

The groom was born in Seward, York County, Nebraska. He graduated from the Benedict, Neb., High School and the York Neb., business college and up to a year ago had lived in Kansas City. He then came to North Platte and became interested in the alfalfa meal plant at Hershey and Mitchell. He is a young man of sterling qualities and to him and the young lady of his choice, The Tribune extends its most hearty congratulations and best wishes.

RAILROAD NEWS.

Asst. Supt. Likert, of Omaha, came up Wednesday to look after conditions at this point.

C. N. Trueblood supervisor of signals, has been transferred to Laramie. He moved his household goods to that place yesterday.

At a recent meeting of the Master Car Builders' Association, Alex Stewart, superintendent of machinery and equipment of the Southern Railway System, was elected vice-president and a member of the board of directors. Mr Stewart continues to advance in prominence in the railway world, much to the gratification of his old North Platte friends.

Yesterday morning while at work at the Joseph Hershey store, D. J. Antonides was attacked with lumbago. He was taken to the office of Dr. Twinem where he received medical aid and was later taken to his home. He is getting along nicely and expects to be around in a few days.

NOTICE.

John Baty and Effie J. Baty, his wife, will take notice that on the first day of July, 1909, P. H. Sullivan, a Justice of the Peace in and for Lincoln county, Nebraska, issued an Order of Attachment for the sum of \$20.00 in an action now pending before him, wherein Ames & Ames are plaintiffs and John Baty and Effie Baty, his wife, are defendants, that property consisting of One "White" Sewing machine, household goods, cooking utensils and sundries has been attached under said order.

Said cause was continued to the 31st day of August, 1909, at 10 o'clock a. m. Dated North Platte, Nebraska, Aug. 5th, 1909. AMES & AMES, By Albro Ames, Plaintiffs.

The committee soliciting funds for the base ball team has secured subscriptions of over four hundred dollars. This is evidence that the citizens appreciate the team and the splendid ball it is playing this season.

One lot of ladies' suits at just one-half the regular price. A big loss to us, a gain to you. These suits have short coats.

THE HUB CLOTHING DEPT.

The total rainfall last month, as shown by Observer McDowall's monthly summary, was 5.21 inches. With the exception of July, 1907, the precipitation last month was the heaviest of any July since 1889. The month was the hottest one since 1901, the average daily temperature being seventy-four degrees. During the month there were nine thunder storms.

Farmers, we are testing and paying highest cash price for cream.

Corner 6th and Locust Sts.

Chas. B. Johnson, of Garfield, was in town yesterday making final proof on his homestead. Mr. Johnson came to Lincoln county with his parents when four years of age and he has no cause to regret that he has remained. In fact all the early settlers of Garfield, who stuck to it through dry weather period, made a winning bet so doing, for today there is no finer farming section in Nebraska than the Garfield table.

For Sale.

House and lot on West Sixth street. Three blocks from Dewey. J. F. Clabaugh.

Great Double Play.

What is conceded to be the most complicated double play in the history of baseball was made at Albany a few days ago in a game against Syracuse in the New York State league. The play involved every player in the Albany team save the right fielder, and it was so peculiar as to attract attention throughout the east.

Syracuse had runners on first and third and one out when the office was given for a double steal. The pitcher, suspecting, turned a new trick. Instead of pitching to the plate, he made a half back motion and whipped the ball to third, drawing the runner off first. The man on third dived back to the bag and the baseman threw to second, stopping the man approaching, who turned back to first and beat the throw.

As the second sacker threw to first the man on third streaked for home, but was turned back by the first baseman's throw to the catcher. As he was being run down by the catcher, third baseman and left fielder, the man on first continued around the path. The left fielder finally touched the runner between third and home, and turned to get the man between second and third. The ball was thrown back and forth several times the put out finally going to the center fielder, who had hurried in to join the play.

In all, the ball was thrown eighteen times, every man but the right fielder had assists, and two outfielders were credited with putouts on an infield play.
