TOWN AND COUNTY NEWS

Dr. D. T. Quigley returned yesterday from Lincoln where he attended a meeting of the state association of boards of health, of which he is president.

The Sunday school of the Christian church held a picnic Tuesday afternoon at the Doolittle grove. There was a large attendance and the outing proved a very pleasant one.

P. A. White and J. E. Fillion leave Sunday in the former's car for Cheyenne, where they will attend the Frontier Day sports for two or three days. They may conclude to return home via Denver.

With one exception Wednesday was the hottest day of the season, the temperature reaching ninety-seven. The one exception was last month when the temperature reached the same degree.

Fire Tuesday partly burned outbuildings on the premises occupied by E. C. Ringer, the hose companies extinguishing the flames. The fire is supposed to have been the work of a tramp who was seen loitering around the buildings.

The ballots for the primary election next Tuesday are now being sent out to the various precincts by county clerk Elliott. The ballots are about 20x28 inches in size, with five columns, each column representing a political party.

The building committee of the Presbyterian church let the contract Wednesday for pews for the new church to the Fon du Lac Church Furniture Co. The pews are quarter sawed fumed oak of Gothic style and are the finest made by the factory.

W. E. Shuman sold to Charles Hirsch this week a block of land on Fourth street in the Trustee's addition. This tract of two and one-half acres will be used by Mr. Hirsch as a poultry farm, he having in the past devoted considerable of his leisure time to raising chickens.

The colony of commercial traveling men in this city was augmented this week by the arrival of W. A. Alden and family. Mr. Alden travels for the Dolan Fruit Co., of Grand Island, and comes here because the location of the town is a greater convenience to him. Chas. Alden, who travels for the Nebraska Mercantile Co., has also decided to make North Platte his headquarters. We are glad to have these people become citizens of North Platte.

A five pound baby girl was born yesterday to Mr. and Mrs. Ollie Rasmussen.

Robert Lannin has been in Omaha for several days past having his eyes treated.

The state tax charged up to Lincoln county this year by the state board is \$25,730.24, as compared with \$28,794.73 last year.

Sup't Snyder, of the experimental station, went west Wednesday morning to look over conditions in that section.

Word has been received in town of the marriage of Ora Workman, formerly of this city, to a young lady of Clinton, Ind.

Fred Calender and wife, of Tryon, were in the city Tuesday, having brought their little girl down to receive treatment from Dr. Ames.

A heavy thunder storm visited this section Wednesday evening, the lightning being very severe. During the storm fifty-eight one hundredths of an inch of rain fell.

Sheriff Miltonberger returned yesterday morning from his trip to post election notices. He was gone nearly two weeks and in that time traveled between 400 and 500 miles.

Keith Neville, Geo. M. Graham and son Ralph, J. E. Nelson, of Holbridge and Mr. Sadler left Wednesday for the Liston ranch south of "Dickens" where they will fish for bass in a lake on the ranch.

Howe & Maloney are building a large store room in the rear of their store building. When this is completed the present store room will be turned into an undertaking parlor and the present undertaking room will be used as a display room for new furniture.

Jonathan Welch, who was up from the Medicine country Wednesday, said corn in that immediate section was all right up to that time, but south of there in the country surrounding Curtis and Maywood the crop had been ruined by the dry weather. The same disastrous condition exists throughout Frontier and Hayes county.

The state fair management has offered to pay the expenses of Lowell's Cowboy Band of this city to go to Lincoln and play at the fair on September 8th and 9th. The offer will be accepted if local citizens will donate \$125 with which to buy shaps, which are needed to complete the cowboy uniform. The fair management writes that ample bands have been secured, but they are willing to pay the expenses of the Lowell band in order to use it as a feature for two days.

The Timmerman Building.

Yesterday workmen began tearing down the rear portion of the building on the corner of Front and Pine streets preparatory to the erection of the Timmerman brick block.

The plans for the building, which were prepared by Architect Shaffer, of this city, call for a three-story building 33x132 feet, the front to be pressed brick with Bedford stone trimmings. The basement, the floor of which will be four feet below the sidewalk line, will be ten feet in height, with a bowling alley on the west side, billiard hall and wine vault on the east side and heating plant and kitchen storage in the rear.

On the east side of the first floor will be the saloon room 15x45, with tile flooring and white enamel brick wainscoting extending 4 1/2 feet from the floor, while on the west side there will be a vestibule with entrances to the basement and to a lobby running to a dining room, the latter being 30x65 feet in dimensions, with a complete and modern kitchen in the rear. On the west side of the lobby is placed the lavatory.

On the second floor are hotel office, eleven chambers and three bath rooms, each chamber being supplied with lavatory, steam heat and electric lights, and in the rear of these is a lodge room 25x30 feet and four small ante-rooms. The third floor has twenty-five chambers, supplied with lavatories, heat and light, and with ample bath accommodations.

The plans and specifications have been submitted to contractors, and it is expected that the contract will be let in a few days.

This building will be one of the most modern in the city, and will be a credit to the town.

Endorse R. L. Douglas.

We, the undersigned voters of Lincoln County are well acquainted with and endorse Mr. R. L. Douglas for County Commissioner subject to the action of the Republican Primary.

We know Mr. Douglas well. He is an old resident of the northern part of Lincoln county where he made a success of farming. A short time ago he purchased property in North Platte where he now resides. Mr. Douglas is a large tax payer, a good straight, competent, level headed business man; honest, knows the need of good roads, rigid economy in expenditure of the people's money, and will, if elected county commissioner, do his part in the faithful administration of county affairs.

A Heroic Act Rewarded.

From Fremont comes the announcement that the wedding bans of Frank Larson, of that city, and Mrs. Winifred Delaney, for the past two years a resident of North Platte, will be published next Sunday in St. Patrick's church at Fremont.

Mr. Larson is a fireman on the Northwestern railroad, who two years ago saved the life of Earl, the four year old son of Mrs. Delaney. It was near Exeter that this act of heroism occurred. The child had strayed on the track, when the train Larson was driving came along at a thirty-five mile an hour gait. The train could not be stopped in time to save the child, and Larson climbing out of the cab and down on the pilot brushed the child from the track and out of way of harm. Larson later was given a hero medal by congress and the newspapers over the country published his picture.

As might be expected, Mrs. Delaney was sincerely grateful for this heroism on the part of Larson, and the latter accepted an invitation to visit Mrs. Delaney. This visit was the beginning of a mutual admiration that will, according to the Fremont announcement, soon have a happy termination.

This also clears up some speculation as to why Mrs. Delaney, after being re-elected a teacher in the North Platte schools, sent in her resignation.

Mrs. Delaney is a woman of charming personality, refined and well educated, and during her residence in North Platte has won the highest esteem of every acquaintance.

The sequel to Larson's act of heroism is indeed as fitting and happy as it is romantic.

In any city you will find the best residence district adjoining the city parks. The same will be true in North Platte in a few years. The city park purchased from Roy B. Tabor, trustee, is to be improved with trees, etc., next spring. It will probably be the only public park North Platte will have in many years. It will contain eleven acres. Now the opportunity exists to buy residence lots adjoining the city park site. These lots are improved with five-foot cement sidewalks, graded streets and sewer, and the prices and terms are right. The Trustee still has for sale a number of corner lots adjoining the park site. These are for sale by

WM. E. SHUMAN.

Sunday School Convention.

The Lincoln county Sunday school convention will convene at North Platte on September 11th and 12th. There will also be a district Sunday school convention for the southern districts at Wellfleet, Neb., on September 6th and 7th. It is desired that all Sunday schools in the county send delegates to the county convention at North Platte and that all Sunday schools in the southern district send delegates to the convention at Wellfleet.

Special Council Meeting.

At the special meeting of the council held Tuesday evening, all members were present except Tobin and Tracy. The petitions for the two sewer laterals "E" and "G" on the north side were brought up and were granted. The city engineer made a report as to the fall of the main sewer on the north side and said that the fall was sufficient to allow the construction of the proposed laterals.

The next regular meeting will be on Tuesday evening, August 17th.

"Uncle Josh Perkins."

In presenting the celebrated comedy drama, "Uncle Josh Perkins" to the amusement loving public, it is unnecessary to make an elaborate introduction. Free from offensive horse play and vulgarity, masquerading as wit, yet full of wholesome fun and delicate touches of pathos, the whole pointing a healthy moral that makes one feel the better for having seen it. "Uncle Josh Perkins" is a play of pastoral purity and intense interest introducing fourteen distinct and truthful types of character interpreted by a superb company who unfold with artistic skill an American story of absorbing charm and complication. The engagement in this city is for one night only at the Keith next Tuesday evening, August 17th.
