Innes' Band Coming.

Innes' band, one of the justly celebrated musical organizations of this country, will give two concerts—afternoon and evening—on Friday, August 27th at the Keith Theatre.

In securing this attraction Manager Stamp has been compelled to put up a heavy guarantee, but he feels that North Platte people will appreciate the concert, and that a sufficient number will attend to justify him in guaranteeing the amount asked.

In the first game with the Omaha shop team, played Tuesday afternoon, the locals won by a score of two to one, the visitors making an earned run in the ninth inning, while North Platte scored one in the second and one in the fifth inning.

In the second game between the two above teams North Platte won by a score of four to three, the locals making all their runs in the fifth inning and they came through three hits, four errors on the part of the visitors, a sacrifice and a passed ball.

St. Patrick's School.

The many friends and former pupils of the Dominican Sisters will be pleased to hear that they have returned to North Platte where they will resume their labors as teachers.

To the regular course taught in St. Patrick's School, a ninth grade will be added, in order that pupils may have the advantage of another year's training under the careful, painstaking instruction of the sister.

Those parents only, who have hitherto sent their children to this school can, realize their fine, uplifting influence brought to bear upon them, and it is to be hoped that many others will select St. Patrick's as the school best fitted to educate mentally, morally and physically, their boys and girls.

Barracough-Owens Wedding

The Stegall residence on West 11th street was the scene of a very pretty wedding Wednesday evening when Miss Mildred M. Owens was united in marriage to Mr. William Harry Barracough.

For this occasion the house was profusely decorated with palms and bouquets of garden flowers, giving the rooms a very pretty effect. To the strains of the wedding march, played by Miss Eileen Flynn, the bridal party entered the parlor and standing in a bower of palms, these two young people were made man and wife by Rev. Chas. F. Chapman, of the Episcopal church.

The bride looked very pretty in a gown of white silk voile, trimmed in Valenciennes lace and carried a bouquet of white asters and ferns. Miss Helen Davidson acted as bridesmaid. She was attired in pink organdie and carried pink asters. The groom was attended by his brother, Edwin Barracough.

The bride was given away by her brother-in-law, William H. Stegall. Following the ceremony congratulations were extended and the young couple were heartily serenaded with "Love's Old Sweet Song" and "Love Me and the World is Mine" by Misses Kathleen Flynn and Helen Davidson.

A two course lunch was served at long tables. The bridal table was very tastefully decorated with flowers, the centerpiece being a bank of pansies. Miss Etta Clark assisted in serving.

Mr. and Mrs. Barracough left on No. 3 for Cheyenne to attend Frontier Days and will also visit the groom's mother, who is spending the summer in Denver. Upon their return they will be at home to their friends at 415 West 9th street.

The bride was born and raised in this city, and is a young lady whose friends are numbered by her acquaintances. This groom is an employee of the Union Pacific as conductor between this city and Sidney, esteemed by his fellow workmen and employers.

RAILROAD NOTES.

The Union Pacific company charges up against the U. P. hotel \$75 per month for water it uses, while the local water company offered to supply the hotel with water for \$10 per month. We ought to be glad we are not compelled to get our water supply from the Union Pacific.

The Gering Courier says that all lingering doubt has been removed as to whether the Union Pacific's line from Bridgeport to Gering will be built. The Courier says the line between the two points will be constructed this fall. Surveyors are now in the field, and right-of-way is being purchased.

Those citizens of North Platte who are under the impression that flour made in North Platte is inferior to that made elsewhere, can very easily convince themselves to the contrary by cutting out this item and presenting it to O. E. Well at the Vienna Bakery on Front street who will without asking any questions give you a loaf of bread made from Best XXXX or Gold Crown flour. Take it home and compare it with bread made from your favorite flour and be convinced. We believe that "Seeing is believing".
