Sunshine Locals.

North Platte Sunshine Branch No. 1 will hold their annual meeting at the home of Mrs. Carrie Peterson, 321 S. Vine street, September 28th.

Mrs. Rose Owens remembered Sunshine society by donating a generous supply of clothing.

Many thanks to Mrs. Theo. Lowe for sending out large bouquets of golden glow.

Through the courtesy of Miss O'Hara Sunshine Society received some very nice magazines.

Mrs. Ed Ahrens, of Sidney, donated a supply of clothing. She has scattered a lot of cheer far and wide in this way.

Mrs. Frank Barnell distributed a large amount of clothing to several needy families, clothing given her by Mrs. Campbell, who left town.

Don't forget the mite box for blind babies in Mrs. Jennie Armstrong's restaurant. It has been opened three times during the year and \$8.29 collected and sent to the blind babies' home in New York.

Mrs. J. T. Strahorn is doing lots of good work helping those in need. She also sent a large package to this society.

One of our constant workers is Mrs. Till Casey, who kindly donated articles of furniture for a needy family in the country. This family received a wagon load of furniture from the society.

The most ardent Sunshiner is Mrs. Sam Richards. She sent in a package of clothing and gave away reading matter, pictures, etc. The pictures will brighten the wall of many an invalid's room or lonely home.

We desire to extend thanks to Mrs. Leon for a generous supply of magazines and papers and for her cheerful willingness to scatter sunshine in every direction.

The indefinite use of a wheel chair owned by Miss Emma Anderson has been given the society and is now in use where it is much appreciated.

Mrs. Seibert, wife of Rev. Seibert, foremost in every good work, sent in a good many things which carried cheer to many a heart and home.

Articles donated by her were skirts, children's aprons, dresses, coats and a lot of underwear. All of these were very much needed in order that the society could respond to the many appeals that come in.

A pretty shirt waist suit was included in the gifts and this made a very acceptable gift to a young mother who has all she can do to supply her family with suitable clothing.

Like a true mother, she often forgets her own needs, and this pretty dress will make such a nice dress up gown for her. Shoes, stockings and a hat helped to fill the box and proved a great aid in the Sunshine work of caring for those who cannot care for themselves.

This donation to Sunshine was one of the best received this season and we wish Mrs. Seibert would be as thoughtful as Mrs. Seibert.

Did you know about the Sunshine rooms? Ever drop in to see what they were like? We will explain to you just what we are doing and what we hope to do in the future.

Sunshine society is filling in all the niches left by the others. We have no red tape, so we can do anything that comes to us to do quickly and cheerfully.

Perhaps you can in your way help us to do what we are doing; or better still, you may be able to give us some new ideas to work on.

Secretary reports that the newspapers have responded generously giving space whenever asked; 150 visits were made to the sick, 60 large bundles of reading matter were sent out, 25 bouquets were sent to invalids and others, 150 postal cards were sent out, whose meant the most good cheer, 125 letters written, 2000 garments given away, \$8.29 sent to blind babies home, \$19.65 expended on local work, \$ 5 for rent for rest room, flowers and fruit were carried to the sick and many needed families remembered with provisions.

We wish to speak of and to thank the press for the courtesy and kindness shown in communicating to the public our notice and our appeals for the past year and also the friends who have so generously responded and helped us in any way. Mrs. Minnie Perkins, Secretary.

Brady News.

From the Vindicator. Brady High School opened last Monday with a fair attendance and Supt. True reports that the prospects are bright for an enrollment of 125 before the close of the term.

The combined deposits of the two Brady banks as shown by the statements in this issue are \$117,278.40. Pretty good for a little town of 200 population out on the barren plains of Western Nebraska.

The meeting of the stockmen held in the M. W. A. hall was well attended last Saturday and much interest was taken in the discussion on the merits of dipping cattle, etc. Mr. Huttsell will go to work and endeavor to clean up this vicinity.

Since the last rain we notice a decided change in the opinion of the farmers as to the amount of corn they will have this year. In some instances farmers, who said they would not have any, now think they will have from twenty-five to thirty bushels to the acre.

Fine Ranch For Sale.

3,680 acres of land 10 miles north-west from North Platte; 1,200 acres under the Birdwood ditch, 2,480 upland above the ditch. This ranch is known as the Augusta Schapp ranch. There is a good house and barn; main road running through land. Can be divided into three farms. Party owning this land lives in Ohio and will sell at a bargain. Liberal terms for part of purchase price. Address JOSEPH W. ADKINS, Circleville, Ohio.

LOCAL MENTION.

J. R. White has sold two blocks in the Trustee's addition to Martin Wyman, who will erect a residence thereon.

Through a mistake of the Western Newspaper Union, The Tribune was 200 papers short on Friday's issue and subscribers to that number could not be served. This error is not likely to recur.

One hundred bushels of plums have been harvested from the 'Lillian' orchard west of town and the trees are still well loaded. A heavy crop of plums are also ready to pick on the Kuch place. The crop of apples in the Hershey section is also good.

Constable Bailey, of Brady, brought to town Saturday a fellow named Daniels and lodged him in jail. Daniels while intoxicated assaulted another man, and when being arrested was fined \$50 and costs. Not having the money to pay the fine he was committed to jail.

"Nothing coming in and everything going out; we'll soon be in the hands of a receiver," is the way County Clerk Elliott expressed the business condition yesterday. During the past week or two very few instruments have been filed. Practically the same quietude prevails in the treasurer's office.

The shack at the corner of Seventh and Willow streets, occupied by a colored family, has been the rendezvous of crap shooters and other gamblers for some time past, but it was not until Saturday night that the police could catch the players at the games. Several times recently the games broke up in a disputes and knives and razors were flourished, but none of the disputants were injured. The colored women, however, "took to the woods" during these melees.

Young Man! Do you know that by investing \$6.00 per month with the Nebraska Central Building & Loan Association for 112 months, you will have to your credit \$1,000.00. Let us explain their plan to you. TEMPLE REAL ESTATE & INS. AGENCY, 1 & 2 McDonald Block.

Last Rites for Harriman.

Through the quiet aisles of the Barnapoo woods, the body of E. H. Harriman was carried Sunday afternoon from the great house he never lived to see finished and laid in its last resting place on the Arden hillside.

The rulers of Wall street came from New York to pay their last tribute, but the most prominent part in the general ceremonies was taken by the men who knew him best as a country squire master of the great estate which covered 43,000 acres of hill and valley in that, the most rugged quarter of Orange county. His general superintendent, his master carpenter, his master mason and the managers and assistant managers of his dairies, his farms who bore his coffin, and the services were led by his chaplain.

The pines and oaks that surround the little Episcopal church of St. John's, half a mile up the hill from the Arden railway station never before sheltered such a distinguished gathering as stood here-headed under their shade by the grave that afternoon. The funeral was private and only those who were personally acquainted with the family and had received invitation from Mrs. Harriman, were admitted.

AT the meeting of the Wyoming state bankers last week, George L. Ramsey, a Helena, Mont., banker, one of the speakers, predicted a financial panic in 1911, and that it would be one of the worst the world has ever known. He drew his conclusions from the natural course of events, and from the theory that history repeats itself. He stated that previous panics had come at intervals of about 18 years, and usually after times of unusual prosperity, and thought that one was due within the next two years. The panic of 1907 was simply a danger signal for a greater one yet to come, he maintained, and warned bankers to be prepared for it.

Public Sale.

On September 18th, 1909, at 2 o'clock p. m. at the north side livery barn, I will offer for sale a miscellaneous lot of property consisting of horses, machinery, wagons, buggies, harness, etc. Terms cash. H. M. GRIMES, Executor estate of W. A. GREGG, Dec'd.

MAY PROVE FATAL

When Will North Platte People Learn the Importance of It?

Backache is only a simple thing at first; But when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease may be the fatal end; You will gladly profit by the following experience.

"'Tis the statement of a North Platte citizen, J. P. Seearce, Ninth St., North Platte, Neb., says: 'I do not hesitate to tell of the wonderful benefit that Doan's Kidney Pills have brought me. About six months ago I was suffering night and day from the most severe pains through my back and kidneys, always more in evidence when I attempted to stoop or arise from a sitting position. The kidney secretions were also irregular in passage and annoyed me greatly. The doctor's medicine and other remedies I tried gave me no relief and a friend, hearing of my suffering, advised me to take Doan's Kidney Pills, as he had been cured of the same complaint by their use. I immediately procured a box at A. F. Strultz's drug store and prompt relief followed their use. In a few weeks my back was strong and free from pain and my kidneys were restored to their normal condition. I am glad to recommend Doan's Kidney Pills.'

Biscuit are more than mere soda crackers. They are a distinct, individual food article made from special materials, by special methods, in specially constructed bakeries.

They are sealed in a special way which gives them crispness, cleanliness and freshness which "crackers" from the paper bag always lack. They are the Nation's accepted soda

is at your command whenever you tell us you want it. This livery stable is prepared to supply instantly any kind of a rig you require. While in your service it is as much yours as if you owned it. The difference is that you pay only for the time you use it, and not for the time it is standing in the stable. That beats private ownership all hollow.
