**To every woman in our city**

Not every night, but often, you feel tired, worn out, as though you didn't have strength to do another thing.

Have you ever stopped to think "What is the cause?"

You feel this way most when you have been on your feet most, the days when you have stood or walked a good deal.

In nine cases out of ten, SHOES are responsible.

Let us fit you in the Red Cross Shoe. It entirely prevents the burning, drawing and aching that stiff soles cause. It is wonderful how it saves your strength.

Tanned by the special Red Cross process, the sole is flexible, it bends with your foot, relieves all the pressure on the delicate nerves and tendons, giving a feeling of freedom, ease and comfort found in no other shoe.

Let us fit you.  
Oxfords, \$3.50 and \$4.00  
High Shoes, \$4.00 and \$5.00
