Mrs. P. H. Sullivan and Mrs. Joseph Roddy tendered a pre-nuptial shower to Miss Anna Monroe last evening at the home of the former. About thirty young lady friends of the bride-to-be were present, each gowned in juvenile dress, and each took with them a baby picture, which were displayed and the guests asked to identify them. The rooms were tastefully decorated with hearts and bells, and the evening was delightfully passed in guessing contests. The "Shower" was a most liberal one, many very nice articles being included. The evening closed with the serving of enjoyable refreshments.

It's a Real Thanksgiving for the family with a Monarch Range

MALEABLE

With a Monarch Range in the Kitchen there will be true Thanksgiving in the hearts of cook and guests alike. A woman's pleasure in using this perfect range quite equals her pride in serving the family and guests with the delicious food it prepares. Why not make this a Genuine Thanksgiving in your home? Whatever your cooking arrangements may be, you can improve them—and you ought to do it. It's not as though it were an extravagance to buy the "best range possible"—as a matter of fact you can't afford to use anything else! The Monarch actually does its work with so little fuel that it soon pays back its cost in real money.

The things that a man with a Monarch Range in his kitchen has to be thankful for—

It Pleases His Wife Thoroughly

A woman who uses a Monarch Range is more than merely satisfied. She is pleased—enthusiastic about it. She appreciates that she has a range far superior in every respect to the so-called "steel ranges" that her friends are using.

It Cooks his Meals Promptly and Perfectly

No unexpected delays because "the oven wouldn't heat." No spoiled meals that are usually blamed on the cook when the range is really at fault.

Uses so Little Fuel it Pays for Itself

Here's the important thing. This makes the Monarch the range for rich and poor alike. It saves its own cost in a short time and continues to save year after year. It's an investment that yields big returns regularly, long after the principal has been paid back.

The Polished Top

Never requires any stove blackening—yet is always in perfect condition—clean and shiny.

Wellsville Steel Body

Always retains its splendid finish without the use of stove blacking or paint. Most lasting material known for range bodies.

The Duplex Draft

A device found on the Monarch alone which does away with the sifting ashes and keeps the oven uniformly heated.

An Air-Tight Oven

With patent non-warping bottom. Seams can never open up to admit drafts, ashes and dust as in a so-called steel range. Assures perfect baking which can be done only in an air-tight oven.

Lower Warming Closet

A convenient storage compartment underneath the oven. With the door open it heats the kitchen like a base burner and can't interfere at all with the baking oven.

CONTEST NOTICE.

Department of the Interior,
United States Land Office,
North Platte, Nebraska,
October 16th, 1909.

A sufficient contest affidavit having been filed in this office by Albert Green contestant, against homestead entry No 21081 Serial 12650, made October 6th, 1906 for northeast quarter southwest quarter south half northwest quarter, section 8, township 14, range 27, by heirs of Richard G. Edwards contestee, in which it is alleged that:

- The above named claimant in his life time never cultivated any portion of the above described land.
- Said claimant never in his life time established residence upon said land or resided thereon.
- Said claimant has wholly failed to live or reside upon said land and has been absent therefrom for six months and one day last past.
- Said absence from said land was not due to claimant's employment in the army, navy or marine corps of the United States, during any war in which the United States has been engaged.
- The said claimant died about two years ago and contestee has been unable to find out whether he left any heirs. Since the death of said claimant no one has resided upon said land or cultivated any portion or used any portion whatever for any purpose. Neither has the land been improved in any way since the death of said claimant.

Each and all of said defects now exist.

Said parties are hereby notified to appear, respond and offer evidence touching said allegations at ten o'clock a. m. on December 14, 1909 before the Register and Receiver at the United States Land Office in North Platte, Nebraska.

The said contestant having in a proper affidavit filed October 16, 1909 set forth facts which show that after due diligence personal service of this notice can not be made it is hereby ordered and directed that such notice be given by due and proper publication.
