### The North Platte Federal Building.

In reply to a letter to Senator Brown, asking that he make inquiry as to the progress being made on the plans for North Platte federal building, Mayor Patterson received the following

reply today:
"On inquiring at the office of the supervisit g Architect, I found that North Platte is No. 82 on the list. The force has completed thirty progressing at the rate of ten per month, It will be six months before they get to North Platte.

In response to this reply, Mayor Patterson has written Senator Brown and Congressmen Kinkaid suggesting that they make inquiry at the architect's office and ascertain if in his opinion \$101,000 will be sufficient to erect the building needed as a post office, federal court building and other quarters for governmental officers located here. If e thinks the sum insufficient then, Mr. Patterson suggests, Senator Brown and Congressmen Kinkaid should see that an additional appropriation is in-troduced at once. Such a course would hasten the construction and completion of the building.
