> Modern Clothes. Let the College Chap, The Avon and The Normandie tell its own story. It's a strong story, and a convincing one—the story of fine material, good tailoring and modest prices. See for yourself. THE HUB CLOTHING DEPT.

A number of Second district engineers were called before the U. P. officials yesterday and questioned what, if anything, was wrong on the Second district. Some of the men had no complaint or suggestions to make, while others related their personal experiences in matters which they thought might in some manner be remedied. The conference was only for the purpose of eleciting information that might be for the good of the service and the men.
