There are some funny fellows in North Platte as well as elsewhere. For instance: one of the fellows who worked the hardest to carry the waterworks bonds, paid under protest the tax levied to pay the interest on the bonds; and he is one of the loudest taxation.

THE opinion is expressed by Attorney General Thompson that the primary law enacted by the last legislature expressly exempts the nomination of candidates for United States senators at the August primary elections. "It appears to me" says the attorney general, "the intent of the legislature was to prevent the nomination of candidates for the senate."

PRESIDENT Gompers, of the American Federation of Labor, has made a call on the one and half million members of that organization for funds to fight the steel trust. Gompers arraigns the trust for "controlling production," paying dividends on \$500,000,-000 of watered stock, lobbying for advantages, influencing courts and a "systematic destruction of an open and honest market."

Friday the choicest hogs sold for \$9.00 per hundred, and at South Omaha they reached \$8.55. Only once since the civil war have hogs sold so high in the Chicago market, the one exception bethey sold for \$9.85. Several loads were marketed in North Platte Friday and sold for \$8.00. At these prices 55 or 60 cent corn can be fed to hogs at a good profit.

OVER ninety thousand persons migrated from the United States to Canada last year, taking with them ninety million dollars. That is quite a number of people and quite a sum of money, yet they and the money was not missed by the country at large. It is unfortunate, however, that we could not sirable emigrants we received during the year from Europe.

The Hershey Mill.

The annual meeting of the Hershey Alfalfa Milling Co. was held January 7th at North Platte. Much enthusiasm was manifested since the company was put on its feet and from now on in denouncing high and increasing local the company has a clean sheet to start with. All difficulties resulting from the loose mannar with which the business was at first conducted were nicely ad-

justed. The following persons were elected as a board of directors for the ensuing year: M. F. Dial, P. A. Anderson, L. Laubner, S. P. Stryker and J. L. Lewis. With such a strong board and predict that the business will be conducted on the square.

The machinery is all on the ground and is rapidly being placed in position, and undoubtly will be running by the 20th of this month. The principal place of business will be Hershey and all meetings of stockholders and directors will be held there hereafter.

ALL UNSTRUNG.

Many North Platte People Suffer from Nervous Troubles and Don't

Know Why.

Thousands of cases of kidney trouble show few outward symptoms except nervousness, depression, languor, irritability and an inclination to worry over trifles. It is generally due to the poisonous action of uric acid on the blood and nerves, and can't be cured except by curing the kidneys. Doan's Kidney Pills cure these ills by curing the Kidneys. North Platte women are learning it. Here's a local case.

Mrs, Caroline Smith, Eighth & Pine Sts., North Platte, Nebr., says: "] can recommend Doan's Kidney Pills as a most effective remedy for kidney complaint. During the past six years I suffered terribly from this trouble. At times my feet and limbs swelled to twice their natural size and on this account it was impossible to wear my shoes. My back ached constantly, I was nervous, rested poorly and usually got up in the morning feeling tired and completely worn out. About a year ago down and nothing I took seemed to do me the least bit of good. When Doan's Kidney Pills were brought to my attenmy general health was greatly run tion, I procured a box at A. F. Streitz's drug store and in a short time after commencing their use, the backache and weakness through my loins was removed. Now since using five boxes removed.
