A Beautiful \$300 Kimball Piano

To be GIVEN AWAY ABSOLUTELY FREE at the store of

GINN, WHITE & SCHATZ,

North Platte, Neb.,

SATURDAY,

FEBRUARY 5, 1910.

Read the conditions below which are simple and devoid of the many restrictions usually attached to contests. In this contest everyone stands an equal chance with his neighbor.

\$300 Kimball Piano Free. No Expense.

THIS PIANO GIVEN AWAY ABSOLUTELY FREE, with stool and beautiful scarf to the one writing the sentence, "GINN, WHITE & SCHATZ SELL RELIABLE PIANOS," the greatest number of times on a U. S. Postal Card, or any card of exact size. R. D. Thomson, T. C. Patterson and J. E. Evans have consented to act as judges in this contest, which means absolute fairness \$3,450.00 in additional prizes will be given away as follows: To the one next highest in the number of sentences written we will present a credit check for \$100.00, good to apply on any new piano. The next highest a credit check for \$90.00. The next highest a credit check for \$80.00, and to the five next highest a credit check for \$75.00 each. Then five at \$70.00 each. Five at \$65 each and so on until the full amount of prizes are distributed. In the event of a tie the judges will make the awards on the legibility of the writing and the neatness of the card in general. If you are fortunate in winning one of these credit checks and already have a piano the checks may be disposed of providing each transfer is properly endorsed by us.

HOW TO WIN.

Write the sentence "GINN, WHITE & SCHATZ SELL RELIABLE PIANOS" as many times as you can on one side of a U. S. Postal Card or any other card of exact size, (cards furnished free by us are preferred,) using either pen or pencil writing one way only. Writing must be visible to naked eye. No employes or persons connected with the piano business allowed to compete. Expert penmen or engravers barred. No person living over fifty miles from North Platte allowed to compete.

Answer all questions in card below (or on back of cards furnished by us) and mail or bring same to us with card of sentences and have reach us not later than February 5th at 9 P. M., as the contest closes at that time.

The questions are for the purpose of enabling us to know how many homes in the community are without pianos. There is no limit or restrictions as to the number of contestants in a family but only one prize will be given to any one family. Only one check accepted on the same piano.

The winners of credit checks will have their choice of our entire line of pianos. It has always been our custom to mark all goods in plain figures, and pianos will be marked the same way, therefore the check you may win will be just so much in cash on any new piano you may select and not only will the credit check be accepted on any new piano in stock but the balance of the purchase price can be arranged on easy terms. We have received direct from the factories two carloads of pianos for our grand opening sale which begins Monday, February 7th, 1910.

CONTEST CLOSSES SATURDAY, FEB. 5, 1910

and all answers must reach us not later than 9 p. m. on that date.

A Few Reasons why we are making this Great Offer, and how it is possible.

It is not the policy of the W. W. Kimball Co., (capital \$5,000,000), to spend great sums in magazine advertising which is the usual method of large piano manufacturers. The cost of such advertising is enormous and the benefits and results uncertain, but in this manner the name of their famous pianos will be indelibly impressed upon the minds of the people. This is the object of the advertising and in this contest both the dealer and the public secure direct benefit.

This Blank must be FILLED OUT and Mailed with Card of Sentences.
