

"Reason for Dinner Being Late."

Is usually because none of your clocks keep time correctly. It is surely a poor reason, as all that is necessary is to telephone number 338, and we will have our messenger call for same, they will be put in good shape and returned to you without delay.

You will have no such poor excuse in the future, and your meals will always be served at the proper time.

Don't put off calling us up if you have a clock now that wants attention.

Railroad men report thousands of wild ducks in the vicinity of Korty, also quite a few wild geese. Local hunters have so far failed to bag any wild geese, as up to this time they have not come from the south in any great number.

John Keith writes that he has bought several acres in West Hollywood, which is one of the places beautiful in Los Angeles. He is planning to build a new house there. The Colonel further states that he has a bumper crop of oranges at his grove near San Dimas, that the frost "never touched 'em."—Sutherland Free Lance.

Men can also find Easter Hats at Wilcox Department Store.

The state railway commission has issued an order requiring the Burlington to erect a new depot at Holdrege. This order was issued at the instance of the Holdrege commercial club, which made a showing at the present depot is inadequate. If the people of North Platte so desired, they might insist the depot in this city is inadequate and thus secure a new building. This, however, is not likely to result, as the Union Pacific has promised a new depot in the near future.

Keith Neville, George Schatz and Albert Schatz returned Tuesday night from a goose hunt near Lewellen on the north river branch. They brought home sixteen geese, which, however, did not represent all they killed. George Schatz had the misfortune to have his gun explode. He was running across a plowed field, when he slipped, the end of the barrel stuck in the ground and it was discharged, with the result that the barrel end was flattened out like a pan cake. These hunters report geese very plentiful in the section where they hunted.

Italian Laborer Killed.

Semi Guirve, an Italian laborer employed in a gang working near the bridge, was instantly killed in the east end of the yards at noon yesterday. Guirve and companions were coming to town for dinner, when freight train No. 53 came along. He either attempted to get on the train or else was hit and knocked under, at least he was run over and horribly mutilated, both legs and one arm being crushed, and cuts and bruises sustained on the head and body.

The coroner was notified, the remains brought to town and an inquest held. The testimony of the train men, as well as that of the man's companions was not definite as to just how the accident occurred, but it was due in some way to his own acts. The remains will be buried today in the Catholic cemetery.

Saved a Soldier's Life.

Facing death from shot and shell in the civil war was more agreeable to J. A. Stone, of Kemp, Tex., than facing it from what doctors said was consumption. "I contracted a stubborn cold," he writes, "that developed a cough, that stuck to me in spite of all remedies for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds." For Coughs, Colds, LaGrippe, Asthma, Hemorrhage, Hoarseness, Croup, Whooping Cough and lung trouble, its supreme. 50 cents, 1.00. Trial bottle free. Guaranteed by Stone Drug Co.

AUCTIONEER

I have conducted more successful sales than all other auctioneers combined in the same territory. Don't employ an auctioneer because he is cheap, or because he is a good fellow, for the chances are you will be compelled to sell at a sacrifice and that means a loss to you. My terms may seem a little high, but there is no one but will tell you the prices I get will return the extra charge many times. See me before claiming your dates. Write or wire at my expense.

WOODLAND FARM HEREFORDS.

Our fifth annual sale at the U. P. Barn, in Lexington, Nebraska, will be held on

Saturday, March 19th, 1910

The most select draft of registered

Hereford Bulls, Young Cows With Calves at Foot and Heifers,

ever offered at Public Sale in Nebraska. We breed a type of cattle as uniform as "peas in a pod" and of the correct horn type. Each one of them are short legged, beefy type. Every one is of our own breeding, except two or three, and they were purchased as calves and developed by us. They have all been tested by an expert for tuberculosis and are in perfect health and breeding condition.

They consist of four young cows with calves at foot; eighteen heifers, all safe in calf, from 19 to 26 months old; twelve bulls from 11 to 23 months old, sired mostly by Varsity Donald 153499, grandson of Beau Donald, one of the greatest bulls in Nebraska, several are sired by His Lordship 225152 a line bred Garfield bull and splendid breeder. Most of the heifers are bred to Preston 295505 a double grand-son of old Lamplighter, one of the greatest breeding bulls America ever produced.

Come look them over and if not as described will pay your entire expenses, but first send for our catalogue.
