The basket ball team of the Brady high school came up Friday evening and defeated the Y. M. C. A. team by a score of thirty to eighteen. The visitors played a very fast game, while the work of the local team was below the average, hence the decisiveness of the defeat. The Brady team has not met defeat this season, although it has played several very strong teams.

John Lemmer Will Resign.

John Lemmer, manager and part owner of the North Platte Mill & Grain Co., has tendered his resignation as manager and shortly after April 15th will return to Cedar Falls, Iowa, where he will accept the position of chief miller for the Cedar Falls Union Mill Co. This decision of Mr. Lemmer was made after the Iowa company had made overtures to him and offered a salary that he could not afford to turn down.

During his management of the local mill, Mr. Lemmer has demonstrated that he is a first-class miller, and though when he took hold conditions were very discouraging, he has succeeded in overcoming these adverse conditions and has placed the products of the mill along the best made in this state or elsewhere. He resigns at a time when his hardest work has been completed—that of remodeling the mill and introducing the products.

Mr. Lemmer has proved a good business man and an excellent citizen, and all acquaintances will regret the departure of himself and family.

HAPPY RESULTS

Have Made Many North Platte Residents Enthusiastic.

No wonder scores of North Platte citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of daily work done in North Platte by Doan's Kidney Pills.

Mrs. G. Smith, North Platte, Nebr., says: "After recovering from an attack of typhoid fever, our little boy suffered for about a year from pains through his back, caused by disordered kidneys. He had a constant feeling of weakness and at times was so languid that he could hardly drag himself around. The kidney secretions were too frequent in passage and there was a dull, heavy ache through his back and sides. Although we consulted doctors about his case, the medicine they prescribed did not bring any permanent relief. A few months ago we learned of Doan's Kidney Pills and procured a box at McDonell & Graves' Drug Store. The prompt relief our son received from their use was gratifying and I am glad to say that he is now in good health."

I have conducted more successful sales than all other auctioneers combined in the same territory. Don't employ an auctioneer because he is cheap, or because he is a good fellow, for the chances are you will be compelled to sell at a sacrifice and that means a loss to you. My terms may seem a little high, but there is no one but will tell you the prices I get will return the extra charge many times. See me before claiming your dates. Write or wire at my expense.
