

### WELL KIDNEYS KEEP THE BODY WELL.

When the kidneys do their duty, the blood is filtered clear of uric acid and other waste. Weak kidneys do not filter off all the bad matter. This is the cause of rheumatic pains, backache and urinary disorders. Doan's Kidney Pills cure weak kidneys.

Rev. Abram Weaver, Georgetown, Tex., former editor Baptist Herald, says: "At a Baptist conference at Jackson, Tex., I fell from a platform and hurt my back. I was soon over the injury, but the kidneys were badly disordered, passages painful and often bloody. Doan's Kidney Pills cured this trouble completely."

Remember the name—Doan's. Sold by all dealers. Foster-Milburn Co., Buffalo, N. Y. 50 cents a box.

Blings—This is a hard, hard, old world.  
Bangs—So you've been thrown out of an automobile too, eh?

### NO HEALTHY SKIN LEFT

My little son, a boy of five, broke out with an itching rash. Three doctors prescribed for him, but he kept getting worse until we could not dress him any more. They finally advised me to try a certain medical college, but its treatment did no good. At the time I was induced to try Cuticura he was so bad that I had to cut his hair off and put the Cuticura Ointment on him on bandages, as it was impossible to touch him with the bare hand. There was not one square inch of skin on his whole body that was not affected. He was one mass of sores. The bandages used to stick to his skin and in removing them it used to take the skin off with them, and the screams from the poor child were heartbreaking. I began to think that he would never get well, but after the second application of Cuticura Ointment I began to see signs of improvement, and with the third and fourth applications the sores commenced to dry up. His skin peeled off twenty times, but it finally yielded to the treatment. Now I can say that he is entirely cured, and a stronger and healthier boy you never saw than he is to-day, twelve years or more since the cure was effected. Robert Wattam, 1148 Forty-eighth St., Chicago, Ill., Oct. 9, 1909."

### Marriage.

A game of chance in which the chances are about even. The man leads at first, but after leaving the altar he usually follows breathlessly in his wife's trail. The rules are very confusing. If a masked player holds up some night at the end of a long gun, it is called "robbery" and entitles you to telephone the police; but if your wife holds you up for a much larger amount the next morning at the end of a long hug, it is termed "diplomacy" and counts in her favor. In this, as in other games of life, wives are usually allowed more privileges than other outlaws.—Judge.

### Important to Mothers.

Examine carefully every bottle of CASTORIA, a safe and sure remedy for infants and children, and see that it bears the Signature of *W. D. Hoagland*. In Use For Over 30 Years. The Kind You Have Always Bought.

### An Absolute Necessity.

Wife—You told me the other day we must avoid all luxuries and confine ourselves to absolute necessities only.  
Hubby—That's so, my dear.  
Wife—Well, last night you came home in a cab.  
Hubby—Yes, but that was an absolute necessity.

### Distemper

In all its forms, among all ages of horses and dogs, cured and others in the same stable prevented from having the disease with Spohn's Distemper Cure. Every bottle guaranteed. Over 500,000 bottles sold last year. \$50 and \$1.00. Good druggists, or send to manufacturers. Agents wanted. Write for free book. Spohn Med. Co., Spec. Contagious Diseases, Goshen, Ind.

# NEWS FROM THE CAPITAL

## States in a War Over a Postmaster

WASHINGTON—It's hard enough to have constituents in any event, but it's much harder to have 'em for next door neighbors.

Representative Slemp is the only Republican member of the house from Virginia. This, is of course, a Republican administration. So when anybody in Virginia wants anything he comes to Slemp.

Just now Slemp is facing a problem in little. The town of Bristol is split up between Virginia and Tennessee. Representative Brownlow of Tennessee, like Slemp, is the lone Republican from his state. White House influence is divided. For 40 years a Tennesseean has been postmaster of Bristol. Brownlow wants a Tennesseean to be postmaster. But the president has appointed a Virginian to the place. The appointment still lacks senate sanction, so that Brownlow has not given up hope. Slemp is smiling, for the reason that the senate is not considering his man's name.

## Question of Ethics Raised in House

MR. SHERLEY was making a speech in the house several days ago when Representative Clayton arose and asked: "May I interrupt the gentleman?"

Mr. Clayton—To say that the gentleman from Georgia was unavoidably taken away and is not present.

Mr. Clayton—I wanted to ask the gentleman—

Mr. Clayton—That is to say, does the gentleman think that any man who in falling circumstances goes to a man who has money, within four months of his failure, and says to him: "I am about to fail; I am in an embarrassed position; let me have a thousand dollars and I will prefer you." Do you think any sane man

## Senator Burton and the Tobacco Habit

THE senate committee on commerce, of which Burton of Ohio is a member, was just about to begin its afternoon session. Senator Frye of Maine, chairman of the committee, sat at the head of the long table. Burton sat midway toward the end from Frye. Presently Burton pulled a cigar from his vest pocket. He lit it, rose and stalked up the room toward Frye. Frye looked at him quizzically.

"Well, Burton," said the Maine senator, "I'm glad to see you have one vice."

Burton held his cigar between his thumb and forefinger like a boy learning to smoke.

"Ah, senator," he said, "I have many vices; I have many."

Frye only grinned a little at that. Burton came closer to him.

## How Congressman's Secretary Got Help

SECRETARY HORN of the staff of Representative Gaines, is a Foxy Quiller. The other day he sent out invitations to a number of other secretaries for a lunch in his office of a certain night.

"Fine," said the surprised secretaries.

"I'll have a pretty girl for each of you," said Horn.

"Finer," said the secretaries. He had spent nearly six dollars, though some of the secretaries said afterwards that they had an idea that the girls had brought the lunch. It is not of record whether the lunch was eaten before or after Horn unfolded his little scheme.

In any event, before each secretary and each girl had left, they had ad-

Four years ago the late Representative Campbell Slemp, father and predecessor of the present representative from the Ninth Virginia district, and Representative Brownlow, who comes from the Tennessee part of Bristol, agreed, so the Virginians say, that if Eli Warren, a Tennesseean, were made postmaster a Virginian should be named as assistant. The Slemps put forward no candidate for the place and Warren got the appointment on Brownlow's indorsement. But the Virginia representative now says that as soon as this appointment was confirmed Brownlow put in a Tennesseean man as assistant.

At this stage the president enters. As soon as the younger Slemp got his congressional seat he acquainted Mr. Taft with the situation and told him that it was about time that Virginia was given some recognition in the patronage in this divided town. The president thereupon sent to the senate the nomination of a man named Goodell. The Tennessee side of Bristol then got busy. A bundle of telegrams was sent to Brownlow. Brownlow took an ascension. As soon as he came down he proceeded to the White House. His protests against the Virginia appointment were vigorous. As a result Goodell's name has been held up.

Mr. Clayton—That is not an answer to my question.

Mr. Clayton—That is my answer; I am not going to answer it as the gentleman wants, but I have answered it according to the law.

Mr. Clayton—If the gentleman will not be so much in earnest and a little more dispassionate—

Mr. Clayton—Permit me to make my speech. After I make it you may make such criticism of my manner as you choose. I insist upon consuming my own time.

Mr. Clayton—May I interrupt the gentleman?

Mr. Clayton—The gentleman cannot.

Mr. Clayton—I am very sorry that the gentleman's argument is so vulnerable that he cannot submit to an interruption.

"No," she replied. "I am another's."

## Pass Along The Good Word

That Dr. Pierce's Golden Medical Discovery is to-day and has, for over 40 years, been the standard Blood-purifier, Stomach Strengthenener and Liver Invigorator sold by druggists. It's not a secret nostrum but a medicine of known composition—a medicine so good that the best physicians prescribe it knowing that its ingredients, which are printed on its outside wrappers and attested under oath, are the best known to medical science for the diseases for which it is advised.

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not his greater profit, so there's nothing "just as good" for you. Say so.

# Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are suffering with some form of female illness should consider this.

As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Alkey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
