State Declamatory Contest in this City.

The annual contest of the Nebraska High School Declamatory Union will be held at the Keith theatre, in this city, Friday, April 29th. Two sessions will probably be needed to decide who are winners. Judging by past recitals given by the pupils of the Sisters, the one next Thursday evening will be quite a musical treat, in fact it will deserve an audience that will fill every seat in the theatre.

Mrs. John H. Day will entertain the Episcopal guild Thursday afternoon.

Went Stay Retained.

This notice appears on a Flushing steambath: "Passengers should obtain a receipt for all provisions taken on board this boat and are requested to retain the same."

Easier said than done. It reminds us of the old Himerick:

There was a young man of Ostend
Who said he'd hold out 'till the end,
But when halfway over
From Ostend to Dover
He did what he didn't intend.

—London Globe.

His Definition.

At a London board school the teacher had explained to the children the meaning of the word "ability." "Now, children," she went on, "what word would express the opposite to ability?" A sharp faced little boy at the end of the end form bobbed up his head and exclaimed, "Please, teacher, ability!"—Work and Play.

A One-Man Job

can be made of painting any ordinary sized house if you use

Heath & Milligan

BEST PREPARED PAINT.

It flows so smoothly and easily under the brush, because of the H. & M. individual process of manufacture, that in a given time a man can paint well, far more surface with it than with any other paint on the market.

Also, because of the carefully selected materials of which Best Prepared Paint is made, you will need fewer gallons to do the work.

Make a Double Saving

not only in labor expense but in the money you spend for paint by buying less gallons. Come in and talk over your requirements.
