The first requisite in a suit is FIT. No matter how much you pay for a suit if it does not FIT you are dissatisfied with it. The quality of goods trimmings, etc., are adjuncts which can be bought anywhere with mere money. But FIT is an art, which cannot be faked.

There is nothing "just as good" as FIT. Our Miller-Made Princeton Suits FIT and the FIT costs you nothing. No matter what price you pay for a "Princeton" Suit it FITS. Then why not get your spring suit from us, and get FIT. You can then pay as much for the goods, trimmings, etc., as you deem right for your purpose.
