Committee.

TOWN AND COUNTY NEWS

New furnishings for the Gilbert barber shop on Sixth street were received and installed yesterday.

Bishop Graves made an official visit to the Episcopal parish Wednesday evening, and in the presence of a large congregation confirmed a class of twelve.

From ten to twenty cars of sand is being taken from the Union Pacific lake east of town and shipped to points west, where it is used in the construction of cement culverts and bridges on the double track.

Two special coaches of sports enroute to the big prize fight at Reno passed through the city Tuesday and another car went through Wednesday over the Union Pacific. Travel westward for the big fight is very heavy.

The Birthday Club was pleasantly entertained Wednesday afternoon by Mrs. F. E. Bullard. In addition to the fourteen members there were present as guests Mrs. Lathrop, of Chicago, and Mrs. Letts of Laramie. A nice luncheon was served.

With five North Platte engines in the Omaha shops, four in the Cheyenne shops, three undergoing repairs in the local shops, there is a shortage of power at this terminal, and engines are turned round and sent out as fast as they come in from trips over the road.

The assessed value of personal property in North Platte will show a considerable increase as compared with last year. While the footings for the entire city has not at this writing been completed, the work has gone far enough to indicate an increase of \$62,000 in the Third Ward and some increase in the other two wards.

Wednesday's Omaha papers recorded the resignation of E. L. Lornax, for twenty-five years general passenger agent of the Union Pacific. He resigns to become general traffic manager of the Western Pacific, the new Gould line to the coast, and will have headquarters at San Francisco.

Arrangements are now being made for game of ball between the Elks of Grand Island and members of the same order in this city. The Elk team at Grand Island is a strong one, including the two Glade boys and Lester Schuff. The team here would include several old time players. The date of the game has not yet been announced.

Milledge Bullard has accepted a position with Agent Rieger of the Pacific Express Co.

Mark Atkinson has rented one of Dr. Morrell's houses on west Fourth street and will occupy the same in a few days.

Mrs. Agnes Congdon, who obtained a decree of divorce the first of June, was married last week to an army officer—a captain we understand—at Ft. Douglas, near Salt Lake.

Owing to a delay in completing the assessors' books, the board of equalization has attempted but little in the way of equalizing the assessment of personal property.

Over four inches of rain fell within two hours at Sidney Wednesday evening. The Union Pacific track at a point between Sidney and Colton was washed out, delaying traffic six or eight hours.

Bring your shoe repairing to Tekulve and his man "Doc" Smith at the Yellow Front Shoe Store.

Mrs. G. W. McDowell entertained a party of fourteen young ladies Wednesday evening in honor of Miss Mary Lowe. In a bridal contest, Miss Salisbury won the prize, a cluny lace doily.

Mrs. J. A. Jones was hostess at the Wednesday session of the Indian card club. Quite a few of the members were absent, but guests were invited. The fork was won by Mrs. J. H. Stone and the consolation emblem by Mrs. James Hart. A two course luncheon was served.

Mrs. Mary Neir entertained a score of ladies Monday evening in favor of Miss Marie Lowe, the affair being in the nature of a pre-nuptial shower to the guest of honor. The shower was a bountiful one, composed of many articles for home use and decoration. The evening which proved a delightful one, closed with the serving of a nice luncheon.

E. F. Stephens, the Crete nursery man, and one of acknowledged orchardists of the state, was among those who attended the farmers' picnic at the experimental sub-station yesterday. Mr. Stephens was returning from a trip to the west part of the state and stopped over to investigate the Hunter fruit orchard. He found that the frost of the early spring had practically destroyed the crop. The apples will not be more than five per cent of a crop, with a somewhat better showing for plums and cherries. Some cherries are now being shipped from the orchard to this city.

People You Know.

Mrs. J. S. Twinem left Wednesday night for a visit with friends in Iowa. Colonel Dave Love, of Sutherland, transacted business in town Wednesday.

Mrs. Nelson Hammer is in Sidney visiting her daughter, Mrs. Edward Ahrens.

Tom Sodin left last night for Reno to witness the big fight Monday. He will also visit Pacific coast points.

H. G. Ritter and two sons, of Fairbury, is visiting friends in town and will remain until after the Fourth.

Mr. and Mr. Chas. Hoffhine, of Cheyenne, were visitors in town yesterday enroute home from a visit in Iowa.

Mrs. Fred Letts, who came down from Laramie to attend the Buchanan-Sitton wedding will return home tomorrow.

Mrs. H. S. White will leave next week for a visit in Kansas City and Chicago, and thence to points in Pennsylvania.

Photographer Halverstedt has decided to return to Gothenburg. His family will leave next week and he will soon follow.

Tom McGovern, who is employed as boilermaker at Fairbury, arrived home Tuesday for a ten day visit with relatives and friends.

Mr. and Mrs. Julius Hahler have returned from the east part of the state, where they had been visiting friends for several weeks.

Mr. and Mrs. Richard Williams were called to Rock Island, Ill., Wednesday by a telegram announcing the death of Mr. Williams' mother.

J. C. Den, Henry Rebhausen, Tom Green, Chas. Matson, Tom Healey and M. R. Rebhausen witnessed a ball game in Grand Island Sunday.

Mrs. W. L. Park and two daughters, who came here several days in advance of the Buchanan-Sitton wedding, left for their home in Chicago Wednesday night.

Fred Lathrop will arrive from Chicago tomorrow for a two weeks' visit. Mrs. Lathrop has been the guest of her sister, Mrs. W. J. Stuart, for the past ten days.

Mr. and Mrs. James Snyder left Wednesday night for Laramie to attend the funeral of Mr. Snyder's eldest sister, who had died at Bridger, Mont., and was brought to Laramie for burial.

Mr. and Mrs. John Ritner have been visiting friends at Bloomington, Ill., for a week or so and from there will go to Pennsylvania, and Atlantic City. They will return about July 15th.

Mrs. D. A. Baker returned the early part of the week from Denver where she went to ship her household goods to this city. After an absence of a number of years she will again become a resident of North Platte.

Mr. and Mrs. Luke Haley and Mrs. Thos. Haley and son are expected home the latter part of next week from their visit in New Jersey. Last week Mrs. Luke Haley suffered a sunstroke which for a time seemed serious, but she has since regained her normal condition.

Jim Clinton Breaks Ankle.

Tuesday evening while Jim Clinton and Charley Reynolds were riding a couple of fractious horses in the alley in the rear of the Clinton residence, the horse ridden by Jim fell and his right ankle was caught under the animal. He suffered a fracture of both bones in the ankle. Dr. Dent was called, set the fractured limb and placed it in a cast. Jim takes the accident as philosophically as it is possible for an active young man.

Water For North Platte Ditch.

J. G. Beeler returned yesterday from Lincoln where he appeared before the state board of irrigation and filed a complaint against the tri-state irrigation company and other western ditchers for taking all the water in the North Platte river and leaving none for the North Platte ditch, which has a prior right over all other ditches in the west part of the state. He presented the facts in such a manner that the board instructed the state secretary to see that the North Platte ditch was given 100 cubic feet of water per second which is considerably less than the amount to which it is entitled, but which is satisfactory to the ditch company.

So People May Know

What a real luxury is an after dinner, just try a Platte Valley or Amora Cigar. Give it a fair and impartial test. Don't think because it is made in North Platte that it is not good. We will guarantee our goods to be the highest grade of Domestic and Havana tobacco on the market. Our output this month is 10,000 cigars more than last month, the largest month yet. Why? Because we deliver the goods. Quality tells.

Organize Sunday Schools.

W. W. Scott, Sunday school missionary, is making a tour of visitation of Sunday schools on the south side in company with Rev. Currens of Omaha.

They visited the Jack Morrow flats Sunday on the 19th, and Mr. Currens preached at the Miller school house at night.

On June 26th they organized the Sunday school in District 98, in Box Elder canyon. C. F. Cling was elected superintendent of this school and Mrs. Mary E. Kingsley secretary and treasurer. In the afternoon they visited the Sunday school at Bignell, and at night organized a Sunday school in Cottonwood canyon, District 120, with Mrs. Nettie Houser of Maxwell, superintendent and Mabel Feather secretary.

Mr. Scott has been Sunday school missionary at North Platte for sixteen years. He has organized more Sunday schools, given more bibles and addressed more public schools than any missionary in Nebraska.

Wanted.

About 50 acres of breaking done on west half section 13, township 13, range 31.

BUCHANAN & PATTERSON.

From Ocean to Ocean.

Miss Blanche Scott, who with a companion, Miss Phillips, is making a trip from New York to San Francisco in an Overland car, arrived in town Wednesday evening about five o'clock, and after resting a short time drove to Ogalalla where she spent the night. The run of the day was from Hastings to Ogalalla, a distance of 231 miles. A route finder car, loaded with equipment and baggage, precedes the car driven by Miss Scott. This route car was lost for about a week, and until it could be located, Miss Scott was compelled to wait in Hastings.

This delay materially increased the time between New York and this city, and was of course provoking to Miss Scott. While she is not attempting a record run, she is anxious to make as good time as possible. The car she is driving is holding up well, and is apparently in as good shape as when it started on the journey.

According to the Burlington's weekly crop report, conditions are not favorable as generally supposed along the southern border of the state. Some damage is reported to winter wheat between Holdrege and McCook on the McCook division. It is said that the grains are not filling out as well as they would have done had there been more moist weather. Spring wheat is reported as having suffered some on the Omaha division from the want of rain. Corn is reported as doing nicely all over the state.

Notice to Overseers.

You are hereby requested to use all the precaution possible to prevent the spread of prairie fires, by plowing fire guards as soon as possible. See Sec. 75 on Page 29 of 1909 Road Laws. Dated North Platte, Neb. 6-28-10. County Commissioners.

Bring your shoe repairing to Tekulve and his man "Doc" Smith at the Yellow Front Shoe Store.

A King road grader was received yesterday by J. C. Davis, the automobile man, and taken out to the state farm where a demonstration was made. The grader is said to be a machine of unusual merit.

Buchanan-Sitton Wedding.

An exceedingly pretty and well appointed June wedding occurred at the Presbyterian church at 8:30 Tuesday evening when Miss Vera Sitton, in the presence of 300 invited guests, became the bride of J. Clark Buchanan. The ceremony was performed by the resident pastor, Rev. Geo. Franklin Williams, and the ring service was used.

To the soft strains of Lohengren "Bridal Chorus," the choir entered, and as the second stanza of this selection was rendered by the choir, the bridal party ascended the aisle to the chancel. The bridesmaids—Misses Alice Wilcox, Grace Payne, Myra Park and Helen Davidson—and the maid of honor, Miss Eva Park, preceded the bride, who was attended by her father. The groom, with Robert Hart Cary, as best man, and the four ushers—Messrs. Munger, Birge, Sandall and Fristo—approached from the south aisles to the chancel where the entire bridal party formed a half circle, and as the clergyman performed the service Mrs. E. A. Cary softly and effectively rendered "Traumrie" on the pipe organ. This service was as impressive as it was beautiful, particularly so when the party knelt to receive the prayer and blessing.

The chancel was prettily decorated with cut flowers and palms, adding brilliancy to the beautiful furnishings of the church.

The bride was beautifully gowned in white mousseline, trimmed in pearl passanterie and lace, wore a wreath of lilies of the valley and carried a shower bouquet of bride's roses and swansonia. The gown of the maid of honor was of pale blue messaline, trimmed with rich silk embroidery, and she carried white roses. The four maids were attired in dainty lingerie gowns made in the becoming style of Dutch neck and sleeves, and each carried pink carnations tied with pink tulle.

Following the ceremony a reception was held at the future residence of the bride and groom on west Sixth street, and was attended by more than a hundred relatives and more intimate friends. After the usual good wishes and felicitations had been extended, a wedding supper was served, as was also punch, Misses Gertrude Dill and Dorothy Hinman presiding at the bowl.

Mr. and Mrs. Buchanan left on a night train for a trip to Portland and other northwest points and will be absent about thirty days.

A most beautiful, valuable and large display of wedding gifts attested the popularity of the bride and groom at home and out of town.

The bride was born in North Platte, graduated from the high school with the class of '07, has been closely identified with the work of the Presbyterian church in its several branches, and has been popular in social circles. Mr. Buchanan is a young man who has lived in the city practically all his life. Graduating from the high school in '05 he became associated with his father in the abstract business, and has given ample evidence of industry, integrity and wit and is an exemplary young man.

Notice.

To all our customers that did not get to give in their order for Advo Canned Goods for fall delivery. We will take your order at the same price until July 10th.

WILCOX DEPARTMENT STORE.

It is lawful for a village in Nebraska to levy an occupation tax upon the practice of medicine. The village of Dodge, in Dodge county, levied such a tax upon Walter A. Guidinger, and the supreme court upheld that action. The question at issue was simply the right of the village to levy an occupation tax upon the practice of medicine.

An investigation of crop condition under the North Platte irrigation project in Nebraska and Wyoming, shows approximately 60,000 acres are actually planted this season. The acreage in potatoes was increased from 3,349 in 1909 to 4,714 in 1910. Last year but 5,428 acres on the project were planted to alfalfa. This year an additional 12,193 acres were planted to this crop, making the total 17,621 acres. The highest acreage in any one crop is in oats, of which 14,274 acres were planted.

A Friendly Warning.

Motorcyclist must reduce their speed on the streets to the limit provided by ordinance and keep their lamps lighted, or arrests will follow. There is no desire to cause anyone trouble, but this warning must be heeded. This also applies to drivers of automobiles. By order of THE POLICE.

Close in Property for Sale.

We have listed for sale an excellent house on W. 4th St., only three blocks west of the court house. This property is in good repair, and one of the best locations in the city. If interested us quick.

TEMPLE REAL ESTATE & INS. AGENCY.
1 & 2 McDonald Block

I offer the 200 acre tract of land that adjoins the town of Hershey on the south in 50 acre tracts, at from \$45.00 per acre up. Easy terms, write.

D. C. PATTERSON,
Omaha, Nebr.

Railroad Men Attention . . .

We have just received a shipment of

COLGATE'S MECHANIC'S SOAP PASTE . . .

It is a new preparation from the famous Colgate factories and will remove grease and grime quickly leaving the skin smooth and clean. It differs from other soap paste in that it is made with glycerine and contains no free alkali.

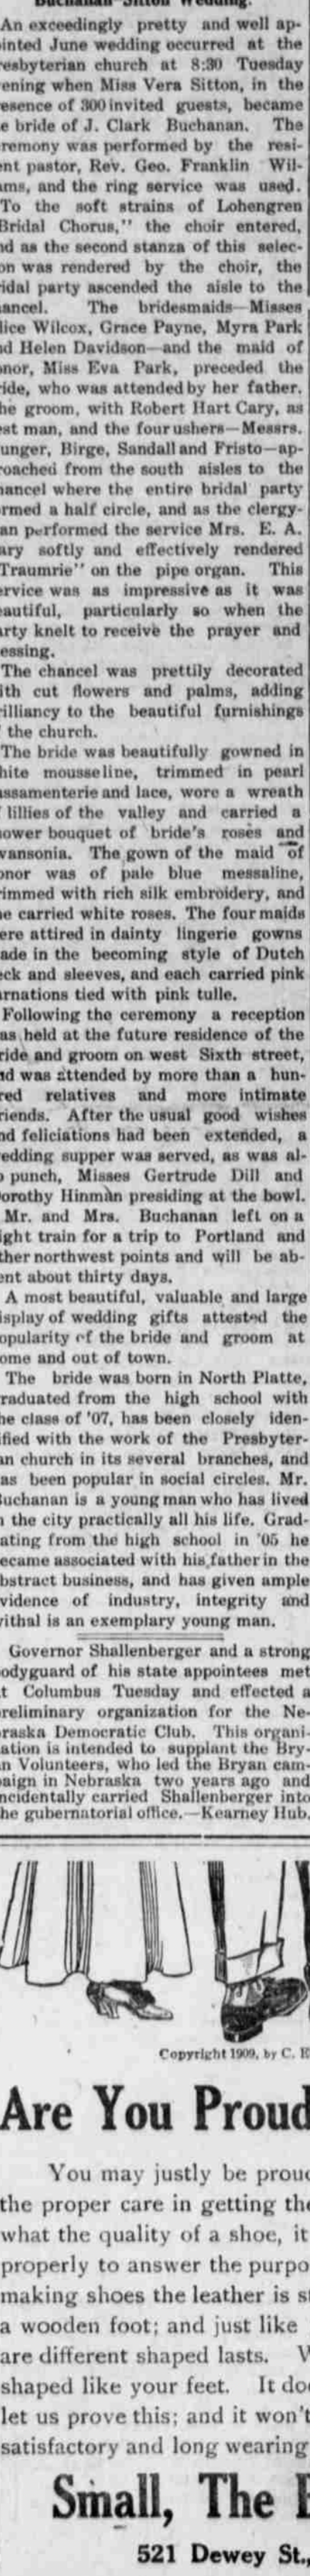

10c per can, 3 for 25 cents.

SCHILLER & CO.,
Family Druggists,

Are You Proud of Your Shoes?

You may justly be proud of your foot-wear if you use the proper care in getting the right shoe dealer. No matter what the quality of a shoe, it must be fitted to your feet properly to answer the purpose for which it was intended. In making shoes the leather is stretched over the last, which is a wooden foot; and just like the different shaped feet there are different shaped lasts. We have shoes made over a last shaped like your feet. It doesn't cost you any more. Now, let us prove this; and it won't cost you any extra for a stylish, satisfactory and long wearing shoe.

Small, The Big Shoe Man,
