**Big Odd and End Sale of OXFORDS AND SHOES**

Commences Saturday, August 6th,  
Closes Saturday, August 20th, 1910.

THIS SALE IS JUST WHAT THE HEAD IMPLIES—A general clean up of the odds and ends of our stock. We do not wish to carry any Oxfords over, and we find we have a considerable number of short lots in as many different styles; we also find that we are overstocked in a few styles. We have decided to adopt radical measures to rid our shelves of this surplus. We have gone through our entire stock and sorted out every short lot and all overstocked styles and we are going to sell them regardless of what they bring.

**AN ORDINANCE.**

Providing for the extension of the main sewer on "A" street, from its present termination at a point where the center line of the alley of blocks 4, 5, 12 and 13 intersect said sewer on A street, extending said main sewer in a westerly direction, a distance of 1030 feet to a point opposite of and in line with the north and south center line of block 1 of South Park Addition to North Platte and to pay for said extension out of the sewer maintenance funds of said city, said extension to be of pipe 10 inches in diameter, providing for the estimate of cost thereof and for bids and for making a contract for said extension of main sewer.

Be it ordained by the mayor and city council of the city of North Platte, Nebraska.

Section 1. That an extension be made to the city's main sewer on A street, beginning at a point where the center line of the alley in blocks 4, 5, 12 and 13, Miller's Addition to North Platte, Nebraska, extended intersects the west end of the present main sewer in west A street, running thence west on west A street, 1030 feet to a point opposite of and in line with the north and south center line of block 1 of South Park Addition to North Platte.

Section 2. That said main sewer extension be constructed of 10 inch sewer pipe, laid at proper depth and on a grade required by the present sewer system of said city, to be constructed with the necessary man holes, flush tanks and necessary appliances along the line of said proposed main sewer extension.

Section 3. That the engineer of said city at once prepare, and file with the clerk thereof, the estimate of the total cost of said main sewer extension and that said extension be paid for out of the sewer maintenance fund of said city.

Section 4. That after said estimate is made and filed, as herein provided, that the clerk of said city proceed at once to advertise in manner and form required by law, for bids for the construction of said extension of said main sewer, reserving to said city the right to reject any and all bids.

Section 5. If an approved bid be made for said work, that a contract be entered into by the mayor of said city, attested by the clerk, with the necessary provisions protecting the interests of said city, upon the contractor furnishing a bond in sufficient amount for the faithful performance of said contract.

Section 6. This ordinance shall take effect and be in force from and after its passage, approval and publication. Passed and approved this 19th day of July, 1910.

THOS. C. PATTERSON, Mayor.  
Attest: CHAS. F. TEMPLE, City Clerk.
